2. INTRODUCTION

In terms of the Municipal Finance Management Act, No. 56 of 2003, Chapter 4 on Municipal Budgets, Subsection (16), states that the council of a municipality must for each financial year approve an annual budget for the municipality before the commencement of that financial year.

According to subsection (2) of the Act concerned, in order to comply with subsection (1), the executive mayor of the municipality must table the annual budget at a council meeting at least 90 days before the start of the budget year. This policy must be read, analyzed, explained, interpreted, implemented and understood against this legislative background.

The budget plays a critical role in an attempt to realize diverse community needs. Central to this, the formulation of a municipality budget must take into account the government's macro-economic and fiscal policy fundamentals. In brief, the conceptualization and the operationalization of the budget must be located within the national government's policy framework.

3. OBJECTIVE

The objective of the budget policy is to set out:

- a) The principles which the municipality will follow in preparing each medium term revenue and expenditure framework budget
- b) The responsibilities of the executive mayor, the accounting officer, the chief financial officer and other senior managers in compiling the budget
- c) To establish and maintain procedures to ensure adherence to Breede Valley Municipality's Integrated Development Plan (IDP) review and budget processes.

4. BUDGET PREPARATION PROCESS

- iii. Monthly projections of revenue to be collected for each source;
- iv. Monthly projections of expenditure (operating and capital) and revenue for each vote;
- v. Quarterly projections of service delivery targets and performance indicators for each vote;
- vi. Information for expenditure and delivery; and
- vii. Detailed capital works plan.

5. BUDGET PRINCIPLES

5.1 Contents of the Budget

- a) The budget must comply with the provisions of Section 17(1) of the MFMA, and in particular:
 - i. The budget must be in the format prescribed by the regulations;
 - ii. The budget must reflect the realistically expected revenues by major source for the budget year concerned;
 - iii. The expenses reflected in the budget must be divided into the votes of the various departments of the municipality;
 - iv. The budget must also contain:
 - 1. the foregoing information for the two years immediately succeeding the financial year to which the budget relates;
 - 2. the actual revenues and expenses for the previous financial year , and
 - 3. the estimated revenues and expenses for the current year.
- b) The budget must be accompanied by all of the documents referred to in Section 17(3) of the MFMA.
- c) For the purposes of Section 17(3) (k) of the MFMA, the salary, allowances and benefits of each person referred to therein must be stated individually.

5.2 Components of the Budget

- a) The annual budget and adjustments budget shall, as required by Section 17(2) of the MFMA consist of:

Budget Policy

- i. the capital component, and
 - ii. the operating component.
- b) The operating component shall duly reflect the impact of the capital component on:
- i. Compensation of employees & Remuneration of Councilors
 - ii. Bulk Service Expenses
 - iii. depreciation charges;
 - iv. repairs and maintenance expenses;
 - v. interest payable on external borrowings; and
 - vi. other operating expenses.
- c) Before approving the capital budget component of the annual or adjustments budget, the council shall consider the impact of the capital component on the present and future operating budgets of the municipality in relation to the items referred to:
- i. The projected cost covering all financial years until the project is operational;
 - ii. The future operational costs and revenue on the project, including municipal tax and tariff implications.
 - iii. All capital projects have an effect on future operating budgets. The following cost factors must therefore be considered before approval:-
 1. Additional personnel cost to staff new facilities once operational;
 2. Additional contracted services, such as security, cleaning etc.
 3. Additional general expenditure, such as services cost, stationery, telephones, material etc.
 4. Additional other capital requirements to operate the facility, such as vehicles, plant and equipment, furniture and office equipment etc.
 5. Additional costs to maintain the assets;
 6. Additional interest and redemption in the case of borrowings;
 7. Additional depreciation charges;
 8. Additional revenue generation. The impact of expenditure items must be offset by additional revenue generated to determine the real impact on tariffs.

5.3 Capital Budget

Budget Policy

5.3.1 Capital Replacement Reserve

- a) Council shall establish a capital replacement reserve for the purpose of financing capital projects and the acquisition of capital assets.
- b) Such reserve shall be established from the following sources of revenue:
 - i. unappropriated cash-backed surpluses to the extent that such surpluses are not required for operational purposes;
 - ii. interest on the investments of the Capital Replacement Reserve, appropriated in terms of the banking and investments policy;
 - iii. further amounts appropriated as contributions in each annual or adjustments budget; and
 - iv. net gains on the sale of fixed assets.

5.3.2 Financing of Capital Budget

- a) The Chief Financial Officer shall make recommendations on the financing of the draft capital budget for the ensuing and future financial years, indicating the impact of viable alternative financing scenarios on future expenses, and specifically commenting on the relative financial merits of internal and external financing options.
- b) The provisions of Regulation 11 of the Municipal Budget and Reporting Regulations must be complied with in relation to the funding of capital expenditure.

5.3.3 General

- a) The capital budget will be prepared in uniformity with the with the Capital Expenditure to Total Expenditure norm as set by National Treasury from time to time, currently at between 10% and 20%

5.4 Operating Budget

5.4.1 Determination of votes

Budget Policy

In preparing the operating budget, the Chief Financial Officer shall determine the number and type of votes to be used and the line-items to be shown under each vote, provided that in so doing the Chief Financial Officer shall properly and adequately reflect the organizational structure of the municipality, and further in so doing shall comply with the budget format prescribed by the Municipal Budget and Reporting Regulations. Substance format

5.4.2 Provisions

Provisions will be made in terms of GRAP principles as included / adopted in the Accounting Policy.

5.4.3 Repairs and maintenance

- a) The Municipality shall adequately provide, within the budget limitations, in each annual and adjustments budget, for the maintenance of its fixed assets, in accordance with its fixed asset management and accounting policy.
- b) Notwithstanding anything contained to the contrary in any other policy of the Municipality, no funds budgeted for maintenance may be used or transferred for any other purpose without the express consent of the Chief Financial Officer.
- c) To ensure the health of the municipal asset base, sufficient provision must be made for the maintenance of existing and infrastructure assets based on affordable levels as maintenance budgets are normally lower than the recommended levels.
- d) As a guiding principle repair and maintenance should constitute at least between 8% and 10% of total operating expenditure and should annually be increased incrementally until the required targets are achieved.

5.4.4 Salaries and allowances

- a) The budget for salaries, allowances and salaries-related benefits shall be separately prepared, and within the budget limitations it shall be strived to comply with the NT guidelines of the aggregate operating budget component of the annual or adjustments budget.
- b) As a guiding principle the salary budget should not constitute more than 35% of annual operating expenditure.

5.4.5 Indigent Relief

Budget Policy

The cost of indigent relief must be separately reflected in the appropriate votes.

5.4.6 Allocations from other organs of state

- a) Allocations from other organs of state shall be properly reflected in the annual and adjustments budget, and the estimated expenses against such allocations (other than the equitable share) must be appropriately recorded.
- b) The provisions of Regulation 10 (2) of the Municipal Budget and Reporting Regulations must be complied with in regard to anticipated revenues to be received from national or provincial government, national or public entities, other municipalities, municipal entities, donors

5.4.7 Rates as a Source of Income

In preparing its revenue budget, the Municipality shall strive to maintain realistic revenues from property rates in terms of its property rates policy.

5.4.8 Impact of Rates and Tariffs

When considering the draft annual budget, the council shall consider the impact, which the proposed increases in rates and service tariffs will have on the monthly municipal accounts of households in the municipal area.

5.5 Other Budget Principles

5.5.1 Funding of Expenditure

- a) In accordance with the provisions of Section 18(1) of the MFMA, an annual budget may be funded only from:
 - i. Realistically anticipated revenues to be collected;
 - ii. Cash-backed accumulated funds from previous years' surpluses not committed for other purposes;
 - iii. Borrowed funds, but only for capital projects.
- b) Realistically anticipated revenues to be received from national or provincial government, national or public entities, other municipalities, municipal entities, donors or any other source may be

Budget Policy

included in an annual budget only if there is acceptable documentation that guarantees the funds, as provided by Regulation 10 (2) of the Municipal Budget and Reporting Regulations:

- v. Only gazette allocations or transfers as reflected in the Division of Revenue Act or allocations as per Provincial Gazettes may be used to fund projects;
 - vi. The conditions of the specific grant must be taken into consideration when allocated to a specific project;
 - vii. Government grants and subsidies allocated to specific capital projects are provided for on the relevant department's operating budget to the extent that the conditions will be met during the financial year.
 - viii. In the case of public contributions, donations and/or other grants, such capital projects may only be included in the annual budget if the funding is guaranteed by means of:-
 - (a) A signed service level agreement;
 - (b) A contract or written confirmation; and/or
 - (c) Any other legally binding document.
 - ix. Public donations, contributions and other grants are provided for on the relevant department's operating budget to the extent that the conditions will be met during the financial year.
- c) All expenses, excluding depreciation expenses & provisions for leave that will be 20% covered, shall be cash-funded. Depreciation charges are fully budgeted for according to the asset register and to limit the impact of the implementation of GRAP 17, a transfer is made from the accumulated surplus. However this is limited to the deemed fair value of assets, previously funded from grants and donations.
- d) The operating budget provides funding to departments for their medium term expenditure as planned. The Municipality categorises services rendered to the community according to its revenue generating capabilities as follows:
- i. Trading services (services that generate predetermined surpluses that can be used to fund other services rendered by the Municipality);
 - ii. Economic services (services that should at least break-even, but do not necessarily generate any surpluses to fund other services rendered by the Municipality);

Budget Policy

- iii. Rates and General (services that are funded by property rates, government grants or surpluses generated by the trading services).
- e) In accordance with Section 18 of the MFMA, the operating budget can only be funded from realistically anticipated revenue. Provision for Bad Debt and Depreciation, although non-cash items, are not to be used to “balance” operating shortfalls.
- f) The operating budget is funded from the following main sources of revenue:-
 - i. Property rates;
 - ii. Service charges;
 - iii. Government grants and subsidies;
 - iv. Other sundry revenue, such as fines, interest received etc; and
 - v. Cash backed accumulated surpluses from previous years not committed for any other purposes.
- g) A positive current ratio will be considered when funding the budget.

5.5.2 Basis for budgeting

Capital projects will be prepared on zero based budgeting principles and other established recurring expenditures will also be prepared on a zero base.

6. ADJUSTMENTS BUDGET

- (a) Each adjustments budget shall reflect realistic excess, however nominal, of current revenues over expenses.
- (b) The chief financial officer shall ensure that the adjustments budgets comply with the requirements of the National Treasury, reflect the budget priorities determined by the executive mayor, are aligned with the IDP, and comply with all budget-related policies, and shall make recommendations to the executive mayor on the revision of the IDP and the budget-related policies where these are indicated.
- (c) Council may revise its annual budget by means of an adjustments budget as regulated.
- (d) The Accounting Officer must promptly adjust its budgeted revenues and expenses if a material under-collection of revenues arises or is apparent.

Budget Policy

- (e) The Accounting Officer shall appropriate additional revenues, which have become available but only to revise or accelerate spending programmes already budgeted for or any areas of critical importance identified by Council in compliance with Item 2 of Section 10.
- (f) The Council shall in such adjustments budget, and within the prescribed framework, confirm unforeseen and unavoidable expenses on the recommendation of the Executive Mayor.
- (g) Only the Executive mayor shall table an adjustment budget. Adjustments budget shall be done once as part of the mid-year budget performance assessment:
- (h) An adjustments budget must contain all of the following:
 - i. an explanation of how the adjustments affect the approved annual budget;
 - ii. appropriate motivations for material adjustments; and
 - iii. an explanation of the impact of any increased spending on the current and future annual budgets.
- (i) Any unappropriated surplus from previous financial years, even if fully cash-backed, may not be used to balance any adjustments budget, but may be appropriated to the municipality's capital replacement reserve.
- (j) Municipal taxes and tariffs may not be increased during a financial year except if required in terms of a financial recovery plan and or per National Treasury Regulations.
- (k) Unauthorized expenses may be authorized in an adjustments budget.

6.1 Formats of adjustments Budgets

An adjustment budget and supporting documentation of a municipality must be in the format specified by National Treasury and include all the required tables, charts and explanatory information, taking into account any guidelines issued by the Minister in terms of section 168(1) of the Act.

6.2 Funding of the adjustments budgets

- (a) An adjustments budget of a municipality must be appropriately funded.
- (b) The supporting documentation to accompany an adjustments budget in terms of section 28 (5) of the Act must contain an explanation of how the adjustments budget is funded.

6.3 Timeframes for tabling of adjustments budgets

- (a) An adjustments budget referred to in section 28(2)(b), (d) and (f) of the Act may be tabled in the municipal council at any time during the mid-year budget and performance assessment has been tabled in the council, but not later than 28 February of the current year.
- (b) Only one adjustments budget referred to in sub-regulation (1) may be tabled in the municipal council during a financial year, except when the additional revenues contemplated in section 28(2)(b) of the Act are allocations to a municipality in a national or provincial adjustments budget, in which case sub-regulation (3) applies.
- (c) If a national or provincial adjustments budget allocates or transfers additional revenues to a municipality, the mayor of the municipality must, at the next available council meeting, but within 60 days of the approval of the relevant national or provincial adjustments budget, table an adjustments budget referred to in section 28(2)(b) of the Act in the municipal council to appropriate these additional revenues.
