1. INTRODUCTION

- 1.1. To ensure that household consumers with no or lower income are not denied a reasonable basic service and that the Municipality is not financially burdened with non-payment of these basic services. The Council of Breede Valley Municipality approved policies on property rates, tariffs, credit control and debt collection, and indigent support.
- 1.2. Despite strict enforcement of the above policies, Council will continuously be confronted by circumstances requiring the possible write-off of irrecoverable debt. To allow this the approved Credit Control and Debt Collection Policy, inter alia, stipulated that: The compilation of a financial plan is a core component of an Integrated Development Plan (IDP). The envisaged timeframe allocations for a long term financial plan are:
 - 1.2.1. The Municipal Manager must establish effective administrative mechanisms, processes and procedures to collect money that is due and payable to the Municipality.
- 1.3. The Municipal Manager must ensure that all avenues are utilised to collect the municipality's debt. However, for various reasons there will always be bad debt cases that needs to be catered for through a policy on the writing-off of irrecoverable debt for circumstances that allows for the valid termination of debt collection procedures as contemplated in section 109(2) of the Local Government: Municipal Systems Act (No 32 of 2000), such as:
 - 1.3.1. The insolvency of a debtor whose estate has insufficient funds;
 - 1.3.2. A balance being too small to recover, for economic reasons, considering the cost of recovery; and
 - 1.3.3. Where Council deems that a customer or group of customers are unable to pay for services rendered.
- 1.4. The municipality will have to maintain audit trials in such instances where bad debt is written off and document the reasons for the abandonment of the actions or claims in respect of the bad debt.

2. PURPOSE OF THE POLICY

The municipality will have to maintain audit trials in such instances where bad debt is written off and document the reasons for the abandonment of the actions or claims in respect of the bad debt.

3. RESPOSNSIBILTY/ ACCOUNTABILT

The Council has the overall responsibility for adopting and approving the Policy on Writing-off of irrecoverable debt.

4. POLICY PRINCIPLES

- 4.1. The following are guiding principles in implementing the Policy on Writing Off of Irrecoverable Debt Policy.
 - 4.1.1. The policy was compiled in accordance with the Local Government Municipal Finance Management Act (No 56 of 2003) Local Government Municipal Systems Act, (No 32 of 2000), as amended and other related legislation
 - 4.1.2. Before any debt is written off it must be proven that the debt has become irrecoverable. To ensure that recommendations for write off are consistent and accurate, irrecoverable debt will be defined as debt where:
 - 4.1.2.1. The tracing of the debtors is unsuccessful, and
 - 4.1.2.2. All reasonable steps, including legal processes were taken by the officials to recover the debt.
 - 4.1.2.3. Any debt defined by Council at their discretion as irrecoverable.
 - 4.1.3. Bad debt written off must be considered in terms of cost benefit, when it becomes too costly to recover and the chances of collecting the debt are very slow, a write off should be considered.
 - 4.1.4. Time value of money is very important because the older the debt becomes, the more difficult and costly it becomes to collect. It is therefore imperative that a proper system of credit control is implemented and maintained to avoid debt reaching the stage of becoming too expensive to recover.
 - 4.1.5. Differentiation must be made between those household consumers who cannot afford to pay for basic services (indigent households) and those who just do not want to pay for these services.
 - 4.1.6. Debt can only be written off if the required provision exists in the Municipality's budget and/or reserves.

5. CATEGORIES OF DEBTORS THAT MAY QUALIFY

5.1. Indigent Households

- 5.1.1. Upon approval for registration as an indigent household consumer, the debtor's arrear outstanding balance as at <u>30 June 2020</u> will be written off, except for fines. A verification process will be done pre-approval.
- 5.1.2. Any new arrears accumulated by the debtor (i.e. any amounts in excess of the indigent allowance for free basic services) whilst registered as an indigent consumer, will not qualify to be written off and must be dealt with strictly in accordance with the Municipality's Credit Control and Debt Collection Policy.

5.2. Small balances

- 5.2.1. Where final accounts have been submitted and paid by the respective consumer and the remaining balance after finalisation of any final readings and other administrative costs results in a balance of one hundred rand (R100) or less, such account must be forwarded once to the consumer for payment.
- 5.2.2. Where such account is not paid by the respective consumers within a period of sixty (60) days such accounts will automatically be written-off subject to the provisions of paragraph 6.4 (delegations to the Chief Financial Officer) below.

The collection agent will be paid an allinclusive fee of not more than 20 % of the amount that was actually collected. The Terms of Reference for such collection agent must include the appointment of a tracing agent to locate the debtor. Should a debtor be untraceable, the collection agent must report to the Municipality on the actions that were taken to attempt to trace the debtor.
- 5.4.2. Any amount owed by debtor that has become untraceable must be written off.
- 5.4.3. Debt written off in the above instances (paragraph 5.4.2) will automatically result in the debtor being reported to the credit bureau by the Municipality.

- 5.5.2. Where such circumstances may prevail the current owner or the prospective new owner may apply to the Municipality for relief of such outstanding debt or a portion thereof.
- 5.5.3. Where such circumstances may prevail the current owner or the prospective new owner may apply to the Municipality for relief of such outstanding debt or a portion thereof. In reviewing such application, the Municipal Manager must ensure that:
 - 5.5.3.1. All reasonable measures have already been taken to recover the outstanding amount from the current debtor.
 - 5.5.3.2. The prospective buyer of the property is not in a financial position to settle the outstanding amount before a clearance certificate is issued.
