

SCHEDULE OF QUESTIONS AND ANSWERS

BV1029/2023 – SUPPLY, DELIVERY, IMPLEMENTATION AND MANAGEMENT OF AN AUTONOMOUS NETWORK, EMAIL AND SAAS SECURITY SOLUTION FOR A PERIOD ENDING 30 JUNE 2026

NUMBER	QUESTION	ANSWER
1.	Does one <b>have to be</b> registered with the Western Cape Government for eligibility in local Western Cape tenders?	<b>No, however, bidders must be registered on Central Supplier Database (CSD) for the municipality to do business with them.</b>
2.	How many copies of the completed tender document is required? I only see reference to one original but no request for an additional copy in hardcopy or USB, as is common with tender responses.	<b>Bidders are at liberty to add a soft copy <i>with</i> your hard copy tender submission, however, please note that soft copy submissions will not be considered. In addition, please note clause 4.5 of the General Conditions of Tender (page 20 of 74) clearly stipulate “<i>Mailed, telegraphic, e-mailed or faxed bids will not be accepted</i>”.</b>
3.	Referring to pages 51 to 64, may we provide a full proposal and reference the page numbers of the proposal to the answers for each block, as there is a thorough response to the requirement and there is not enough space in the blocks.	<b>Bidders must provide a full proposal and reference the page numbers of the proposal to the answers for each block, as this was the intention of the outlined compliance table.</b>
4.	Should all proposal be handwritten, or can this be typed in black ink?	<b>As per clause 1.1 under the GCT “All bids must be submitted in handwriting on the official forms supplied (not to be re-typed)”</b>
