1. OPENING AND WELCOME

In terms of the Rules of Order for Internal Arrangement By-Law 2012 the chairperson must take the chair at the time stated in the notice of the meeting or as soon thereafter as is reasonably possible: provided that the meeting does not commence later than 30 (thirty) minutes after the time stated in the notice of the meeting and must proceed immediately with the business of the meeting.

2. OFFICIAL NOTICES**2.1 DISCLOSURE OF INTERESTS**

Item 5 of the Code of Conduct for councillors' states:

A councillor must –

- (a) disclose to the council, or any committee of which that councillor is a member, any direct or indirect personal or private business interest that that councillor or any spouse, partner or business associate of that councillor may have in any matter before the council or the committee; and
- (b) withdraw from the proceedings of the council or committee when that matter is considered by the council or committee, unless the council or committee decides that the councillors' direct or indirect interest in the matter is trivial or irrelevant.

2.2 APPLICATIONS FOR LEAVE OF ABSENCE

In terms of the Rules of Order for Internal Arrangement By-Law 2012.

- 2.2.1 Every Councillor attending a meeting of the Council must sign his or her name in the attendance register kept for such purpose.
 - 2.2.2 A Councillor must attend each meeting except when –
 - (a) Leave of absence is granted in terms of Clause 10; or
 - (b) The Councillor is required to withdraw in terms of law.
 - 2.2.3 The Attendance Registers will be available at the meeting.
 - 2.2.4 A blank Application for Leave of Absence form is enclosed.
-

3. COMMUNICATION**3.1 INTERVIEWS OR PRESENTATIONS BY DEPUTATIONS**

In terms of the Rules of Order for Internal Arrangement By-Law 2012.

*“A deputation seeking an interview with Council must give the Municipal Manager **6 (six) days** written notice of its intention and furnish details of the representations to be made and the source of the deputation. The Municipal Manager must submit a request by a deputation for an interview with Council to the Speaker, who may decide to grant or refuse an interview and under what conditions*

Special Mayco Meeting held on 18 March 2021

5.7.1 **DRAFT MUNICIPAL PROPERTY RATES BY-LAW**

RESOLVED:

EX6/2021

That in respect of –

DRAFT MUNICIPAL PROPERTY RATES BY-LAW

as discussed by Mayco at the Special Mayco meeting held on 18 March 2021

Mayco recommend to Council that:

- 1. The current Municipal Property Rates By-law be repealed in its entirety; and**
 - 2. that the draft Municipal Property Rates By-law (Annexure C) be considered by Council for adoption.**
-
-

5.8 MMC 8: Cllr. J.F. Van Zyl

5.9 MMC 9: Cllr J.J. Von Willingh

6. CONSIDERATION OF AGENDA ITEMS**6.1 FINAL FOURTH REVIEW OF THE 4th GENERATION INTEGRATED DEVELOPMENT PLAN (2017 - 2022) FOR THE PERIOD 2021 - 2022****File No./s:**10/3/8**Responsible Official:** C. Malgas**Directorate:** Strategic Support Services**Portfolio:** IDP/PMS/SDBIP

1. PURPOSE

To table the Final Fourth Review of the 4th Generation Integrated Development Plan (2017 - 2022) for the period 2021 – 2022 (hereafter referred to as the Final 2021-2022 IDP), as prepared in line with the prioritised needs of the Breede Valley community, in accordance with the budgetary resources available.

2. BACKGROUND

Municipalities are required to, in terms of the Municipal Systems Act, Act 32 of 2000 (hereafter referred to as the MSA), review and/or amend its 5-year IDP on an annual basis. Section 34 of the MSA specifically states that a municipal council:

- a. must review its integrated development plan:
 - i annually in accordance with an assessment of its performance measurements in terms of section 41; and
 - ii to the extent that changing circumstances so demand; and
- b. may amend its integrated development plan in accordance with a prescribed process

Section 16(1) of the Municipal Systems Act, Act 32 of 2000 refers to the development of a culture of municipal governance that complements representative government with a system of participatory governance, thereby encouraging and creating conditions for the local community to participate in the affairs of the municipality, including:

- (i) The preparation, implementation and review of its integrated development plan; and
- (ii) In execution of the above, Council endorsed a direct IDP/Budget information sharing with the public in all wards of the municipality.

To give effect to these legislative requirements, the Draft 2021-2022 IDP and supporting correspondence has been published on the municipal website and applicable social media platforms, in order to grant all sectors of society an opportunity to submit representations thereon.

In addition, the municipality rolled-out public participation sessions throughout all 21 wards (combination of ward committee and public engagements in accordance with the alert level 1 Covid-19 restrictions). All inputs affecting the IDP, were considered and incorporated as far practically possible. In addition, the municipality (where applicable) considered and incorporated the recommendations made by the Provincial Government during their assessment of the Draft 2021/22 IDP. No further public input, comments or representations were received.

The complete copy of the Final 2021 – 2022 IDP is attached as Annexure “A”, coupled with a concise summary depicting the key changes (Annexure “B”).

3. FINANCIAL IMPLICATIONS

The Medium-Term Revenue and Expenditure Framework (MTREF) will be aligned to the final reviewed and approved IDP.

4. APPLICABLE LEGISLATION

Municipal Systems Act, Act 32 of 2000

Municipal Finance Management Act, Act 56 of 2003

Local Government: Municipal Planning and Performance Management Regulations, 2001

COMMENT OF DIRECTORATES / DEPARTMENTS CONCERNED

Director: Strategic Support Services: Supported

Director: Financial Services: Supported

Director: Engineering Services: Supported

Director: Community Services: Supported

Acting Director: Public Services: Supported

Senior Legal Manager: Supported

RECOMMENDATION

That in respect of –

The Final Fourth Review of the 4th Generation Integrated Development Plan (2017 - 2022) for the period 2021 - 2022,

Discussed by Council at the Council meeting held on 25 May 2021:

1. That Council approves the Final 2021-2022 IDP and endorse that it be published in terms of section 21 of the MSA.

To Action

C. Malgas

**6.2 2021/22 FINAL BUDGET MEDIUM TERM REVENUE AND EXPENDITURE
FRAMEWORK****File No. /s: 3/2/21****Responsible Official: R Ontong****Directorate: Financial Services****Portfolio: Financial Services**

1. Purpose

The purpose of this submission is to present the 2021/22 MTREF Final Budget.

2. Legal Framework

Section 16 of the Municipal Finance Management Act states:

“Annual budgets

16. (1) The council of a municipality must for each financial year approve an annual budget for the municipality before the start of that financial year.
- (2) In order for a municipality to comply with subsection (1), the mayor of the municipality must table the annual budget at a council meeting at least 90 days before the start of the budget year.
- (3) Subsection (1) does not preclude the appropriation of money for capital expenditure for a period not exceeding three financial years, provided a separate appropriation is made for each of those financial years.

Contents of annual budgets and supporting documents.

17. (1) An annual budget of a municipality must be a schedule in the prescribed format
—
 - (a) setting out realistically anticipated revenue for the budget year from each revenue source;
-
-

- (b) Appropriating expenditure for the budget year under the different votes of the municipality;
- (c) Setting out indicative revenue per revenue source and projected expenditure by vote for the two financial years following the budget year;
- (d) Setting out —
 - (i) Estimated revenue and expenditure by vote for the current year; and
 - (ii) Actual revenue and expenditure by vote for the financial year preceding the current year; and
- (e) A statement containing any other information required by section 215(3) of the Constitution or as may be prescribed”

Glossary

Adjustments Budgets – Prescribed in section 28 of the Municipal Finance Management Act. It is the formal means by which a municipality may revise its budget during a financial year.

Allocations – Money received from Provincial and National Treasury.

Budget – The financial plan of a municipality.

Budget related policy – Policy of a municipality affecting or affected by the budget.

Capital Expenditure – Spending on municipal assets such as land, buildings and vehicles. Any capital expenditure must be reflected as an asset on a municipality's balance sheet.

Cash Flow Statement – A statement showing when actual cash will be received and spent by the Municipality, and the month end balances of cash and short-term investments.

DORA – Division of Revenue Act. The annual piece of legislation that indicate the allocations from National Government to Local Government.

Equitable Share – A general grant paid to municipalities. It is predominantly targeted to assist with free basic services.

GDFI - Gross Domestic Fixed Investment

GFS – Government Finance Statistics. An internationally recognized classification system that facilitates comparisons between municipalities.

IDP – Integrated Development Plan. The main strategic planning document of a Municipality.

KPI – Key Performance Indicators. Measures of service output and/or outcome.

LM – Breede Valley Municipality.

MFMA - Municipal Finance Management Act (No 53 of 2003). The principle piece of legislation relating to municipal financial management.

mSCOA – Municipal Standard Chart of Accounts

MTREF – Medium Term Revenue and Expenditure Framework as prescribed by the MFMA sets out indicative revenue and projected expenditure for the budget year plus two outer financial years to determine the affordability level.

Operating Expenditure – Spending on the day to day expenses of a municipality such as general expenses, salaries & wages and repairs & maintenance.

Rates – Local Government tax based on assessed valuation of a property.

TMA – Total Municipal Account

SDBIP – Service Delivery Budget Implementation Plan. A detailed plan comprising quarterly performance targets and monthly budget estimates.

Strategic Objectives – The main priorities of a municipality as set out in the IDP Budgeted spending must contribute towards achievement of these strategic objectives.

Vote – One of the main segments into which a budget is divided, usually at department level.

PART 1 – Annual Budget**1. Mayor's Report**

The Breede Valley Municipality remains committed to the cause of bringing respectable services to all households. We as a municipality acknowledge the fact that households are faced with numerous difficulties, ranging from social to economic challenges. We view our role as integral in addressing these challenges to improve quality of life and will therefore continue to play our part by creating a conducive environment for job creation and social development in our community. It should be understood that not all plans will be completed within the timeframes due to various unforeseen challenges, but Breede Valley Municipality is committed in ensuring that all projects commenced are completed.

This budget serves the purpose of outlining future service delivery objectives by reflecting on the past financial years in planning for anticipated future developments / realizations. The current reality that we are facing has to date had devastating effects on our communities and those in surrounding municipalities through the loss income, work and lives. This COVID 19 Pandemic changed the way in which we conduct our daily lives and how we interact with each other, posing new and unprecedented challenges to us demanding solutions in order for us to survive and progress to our vision of a *'A unique and caring Valley of service excellence, opportunity and growth'*.

Breede Valley Municipality will continue to address service delivery backlogs and will prioritise where needed to ensure the most urgent matters are catered for. We will continue striving for improvement on all levels to ensure that this municipality better the quality of life for the people within Breede Valley municipal area.

2. Resolutions

It is recommended to council that in respect of the 2021/22 MTREF, and outer financial years that council approves the 2021/22 MTREF budget in terms of section 24 of the Municipal Finance Management Act.

3. Executive Summary**3.1 Legislative Background**

Section 16 of the Municipal Finance Management Act states:

“Annual budgets

16. (1) The council of a municipality must for each financial year approve an annual budget for the municipality before the start of that financial year.
 - (2) In order for a municipality to comply with subsection (1), the mayor of the municipality must table the annual budget at a council meeting at least 90 days before the start of the budget year.
-

- (3) Subsection (1) does not preclude the appropriation of money for capital expenditure for a period not exceeding three financial years, provided a separate appropriation is made for each of those financial years.

Contents of annual budgets and supporting documents.

17. (1) An annual budget of a municipality must be a schedule in the prescribed format —
- (a) setting out realistically anticipated revenue for the budget year from each revenue source;
 - (b) Appropriating expenditure for the budget year under the different votes of the municipality;
 - (c) Setting out indicative revenue per revenue source and projected expenditure by vote for the two financial years following the budget year;
 - (d) Setting out —
 - (i) Estimated revenue and expenditure by vote for the current year; and
 - (ii) Actual revenue and expenditure by vote for the financial year preceding the current year; and
 - (e) A statement containing any other information required by section 215(3) of the Constitution or as may be prescribed”

3.2 Municipal General Overview

The map below outlines the geographical area of Breede Valley Municipality. As per the map Breede Valley Municipality serves the towns of De Doorns, Rawsonville, Touwsrivier and Worcester. Surrounding municipalities include Drakenstein Municipality, Langeberg Municipality, Laingsburg Municipality, Stellenbosch Municipality, Theewaterskloof and Witzenberg Municipality.

Strategic Framework, Pillars and Objectives of the Municipality

Breede Valley Municipality developed five strategic pillars that are underpinned by, which underpin six strategic objectives. The strategic objectives have been developed to address the challenges identified during the IDP development process and are linked to service areas and predetermined objectives.

STRATEGIC PILLARS	
OPPORTUNITY	Breede Valley Municipality strives to provide an opportunity for every resident to have access to all basic services and to live in a safe, caring and well-managed municipal environment.
SAFETY	Breede Valley Municipality aims to partner with the community, other government departments and community organisations to provide a safe environment in which communities, especially women and children, can thrive in pursuit of good community values.
CARING	Breede Valley Municipality will provide care to all vulnerable groups and encourage social investment with a focus on youth development and opportunities for the youth to play a meaningful role in developing a better and caring Breede Valley community.
INCLUSIVE	Breede Valley plans, in consultation with all residents and partners, to create and stimulate social cohesion, to restore hope and to break down social divisions.
WELL-RUN MUNICIPALITY	Breede Valley Municipality continues to build on being a well-run municipality, with strong and committed administration upholding the principles of good governance, maintaining a good credit rating, providing basic services to all and improving our solid productivity rating.

STRATEGIC OBJECTIVES

Section 24 of the Municipal Systems Act states:

- (1) The planning undertaken by a municipality must be aligned with, and complement, the development plans and strategies of other affected municipalities and other organs of state so as to give effect to the principles of cooperative government contained in Section 41 of the Constitution.*
- (2) Municipalities must participate in national and provincial development programmes as required in Section 153(b) of the Constitution.”*

STRATEGIC OBJECTIVES	
SO 1	To provide and maintain basic services and ensure social upliftment of the Breede Valley community
SO 2	To create an enabling environment for employment and poverty and poverty eradication through proactive economic development and tourism
SO 3	To ensure a safe, healthy, clean and sustainable external environment for all Breede Valley's people
SO 4	To provide democratic, accountable government for local communities and encourage involvement of communities and community organisations in the matters of local government
SO 5	To ensure a healthy and productive workforce and an effective and efficient work environment
SO 6	To assure a sustainable future through sound financial management, continuous revenue growth, corporate governance and risk management practices

3.3 Budget Principles and Criteria

The 2021/22 MTREF was compiled based on the following principles and criteria taken into account, the impact of the COVID 19 pandemic and on the economy:

Credibility

- Planned Activities must be consistent with the IDP and vice versa.
- Financial viability of municipality should not be jeopardised.
- Ensure Capacity to spend the budget.

Sustainability

- Financial sustainability/ overall financial health of Municipality.
- Revenue/ Expenditure budgeted must be realistic.

Responsiveness

- To the needs of the community / public.
- Alignment of IDP, LED Strategies with Budget to give effect to provincial and national priorities.
- Budget must be responsive to economic growth objectives and the socio- economic needs of the community.

Affordability

- Tariffs must not be increased unreasonably, and consumers must be able to afford tariffs.

The 2021/2022 budget is compiled in line with chapter 4 of the Municipal Finance Management Act, MFMA Budget Circulars and other relevant circulars and / or guidelines from National Treasury and Provincial Treasury. The budget strives to be consistent with the financial norms and ratios as per the MFMA Circular 71 to ensure sound and sustainable management of financial affairs of the municipality. The budget is also consistent with the Long-Term Financial Plan to ensure synergy between long term planning and implementation of planning. Other important principles include addressing the need of access to basic services and the efficient capacitation of the municipality, which is in many instances a challenge given limited financial resources.

The main challenges experienced with the compilation of the 2021/22 MTREF are as follow:

- COVID 19 Pandemic
- Amendments to mSCOA;
- Effect of electricity supply (ESKOM) on the revenue generation
- Consumers exploring alternative energy sources and using less municipal electricity
- Direct effect of the current state of the economy on larger municipalities relying on progressive economic activity
- Vandalism to strategic infrastructure assets
- Ageing infrastructure and increasing service delivery backlogs
- Increasing cost of bulk purchases versus the electricity tariff increases, resulting in pressure to maintain a balance between sustainability, growth and affordability of services

Service charges and other revenue sources are prepared in accordance with planned activities / initiatives / developments and past performance trends to ensure that the budgeted amounts are realistic and do not negatively affect the credibility of the budget and the financial position of the municipality.

The operating expenditure budget compilation process was done in line with the MFMA budget circulars. In instances of inconsistencies, appropriate reasons for the corresponding deviations are provided.

MFMA circular 70 highlighted examples of non-priority spending that need to be addressed by municipalities. Breede Valley Municipality remains commitment to the elimination of these non-priority items from the 2015/16 MTREF and applying zero percent increases on related items where elimination or a decrease in the 2021/22 MTREF budget is not possible.

Further, MFMA circular 82 on cost containment measures was also taken into consideration with the aim of promoting section 62(1)(a) of the MFMA through the effective, efficient and economical use of municipal resources.

The capital budget for 2021/22 aims to address the service delivery needs within the municipal area, given the available resources internally and externally. The main source of funding remains conditional grant allocations from National and Provincial government departments, followed by either internal funding. The 2021/22 MTREF is not funded by any external loan funding at this stage.

3.4 Rebates

Rebates relating to Unemployed, Indigent and Pensioners (under and over 70 years of age) are displayed below:

3.4.1 Rebates: Unemployed and Indigent

Household Income	Rates	Sewer	Refuse	Rental
R0 - R4 500	50%	50%	50%	100%
Max. Valuation	R 270 000			
<u>Free Basic Services</u>				
Electricity	50 Units			
Water	10 Kilolitre			

3.4.2 Rebates: Pensioner

Household Income	Rates	Sewer	Refuse	Rental
Government Pension & Disability / Pensioners 60 years and older				
R0 - R4 500	100%	100%	100%	100%
Max Valuation	R 270 000			
<u>Free Basic Services</u>				
Electricity	50 Units			
Water	10 Kilolitre			

3.4.3 Rebates: Pensioner 70 years and older

Pensioners falling in this category are eligible for an additional R180 000.00 rebate on the calculation of their property rates bill. This overall rebate is capped at R270 000.00

3.4.4 Special Rating Area (SRA)

In terms of Section 22 of the Municipal Property Rates Act a municipality may by resolution of its Council determine an area within that Municipality as a Special Rating Area (SRA) and levy an additional rate on property in that area for the purpose of raising funds for improving or upgrading that area. The SRA must submit a budget to the Council annually in terms of the Special Rating Areas By-law.

3.5 Budget Overview

The budget overview provides insight pertaining to the operating and capital budgets over the MTREF.

COVID 19 Pandemic – Impact on the Budget

The COVID 19 pandemic had a major influence on the planning and budgeting process for the Medium-Term Revenue and Expenditure Framework for the current financial year and will

continue to do so in the 2021/22 MTREF. The current reality brought high levels of uncertainty relating to projection of the anticipated financial performance and position of the municipality in ensuring that the budget to be approved by Council adheres the requirements of credibility and sustainability.

The current situation forces us to remain prudent and continue with applying resources in a well-balanced manner.

The pandemic also brought about a reduction in the collection rate which is largely contributed by the suspension of economic activity. Given the various levels of restrictions and activities allowed within each respective level, many households, businesses, and other rate payers were negatively affected which influenced their ability to settle the municipal accounts. This results in business closing and workers losing employment, having an adverse effect on the municipality's cash position and contributes to increases in the debt portfolio and indigent portfolio.

Municipal spending of discretionary nature remains at the bare minimum to continue honouring non-discretionary commitments. The utilization of both financial and non-financial resources are being monitored to promote the effective and efficient utilization of these resources. This requires the municipality to continuously adapt and re-design where needed in order to continue implementing its constitutional mandate.

3.5.1 Operating Revenue

The table below reflects the operating revenue in relation to the current year and 2021/22 MTREF.

Please refer to Annexure A

Based on the current economic climate within the Breede Valley municipal area, tariffs were kept in line with the guidelines as per MFMA budget circular and NERSA guideline consultation paper. This inflation linked increase in tariffs aim to promote sustainability of the revenue, other than the counterproductive method of increasing tariffs to such an extent that the collection rate deteriorates.

The figures represented in this section are the accrued amounts and not actual cash receipts; in other words, the amounts billed for property rates; service charges and interest as it become due.

Property Rates: Budgeted revenue is based on the current performance realised during the 2020/21 financial year and anticipated revenue based on the new valuation roll to be implemented 1 July 2021.

Service Charges: The 2021/22 projected revenue for service charges is based on the current performance and anticipated trends over the MTREF.

Interest on External Investments: This 2020/21 budget is informed by the municipality's current investment portfolio, and the anticipated return on investments to be made during the 2021/22 financial year.

Fines: Fines are projected in accordance with the anticipated issues for the 2021/22 MTREF.

Transfers Recognised – Operational: This revenue item is based on the operational transfers (conditional and unconditional) as per the 2021/22 budget year allocations.

3.5.2 Operating Expenditure

The table below reflects the operating expenditure in relation to the current year and 2021/22 MTREF.

Please refer to Annexure A.

The operational expenditure budget was adjusted in order to accommodate the projected operational expenditure to be incurred over the MTREF. These amendments/adjustments are based on the 2020/21 Adjustment Budget.

Further, additional amendments given the COVID 19 pandemic are still in place. These amendments are informed by the following principles:

- No additional positions to be funded. Current structure and funding mix to remain as is.
- No new positions
- No new temporary contracts
- EPWP workers to be used as alternative to counter staff shortages where needed.
- Review of standby and overtime
- No and/or limited travel and subsistence.
- Efficient and effective utilization of internal staff opposed to using external contractors.
- Hiring of plant and equipment limited to extreme cases.

The principles underpin the renewed approach to service delivery in these unprecedented times. The municipality established various committees to explore creative and innovative ways to add value to the respective functional areas across the municipality. The committees will address issues pertaining to:

- Costing and expenditure control, including cost containment.
- Revenue recovery enhancement
- Financial aspects with focus on Ratio's
- Supporting SCM and compliance
- Prioritization of expenditures to assure essential services and impact on revenue enhancement.
- Local economic development,
- Spatial planning integration

Employee related cost: Employee related cost is based on the current staff structure.

Debt Impairment: The fines and corresponding write-off will be managed within the available budgets. These amounts will be reviewed with the 2021/22 adjustments budget if needed.

Depreciation and asset impairment: Depreciation is calculated based on the useful lives of assets, which are currently being reviewed. The commission date of the majority of capital projects are more to the end of the financial year (based on past trends), resulting in new additions not having a full year's depreciation, but only a part thereof.

Finance charges: The finance charges are calculated based on the municipality's borrowing portfolio. It should also be noted that the interest portion of the repayment decreases over the term of the loan.

Bulk Purchases: This item comprises of electricity bulk purchases and is based on the current consumption patterns in terms of usage. The increase in this expenditure item is based on the NERSA guideline consultation paper issued in terms of budgeting for the 2021/22 MTREF.

Other materials and Contracted Services: The budget for other materials is also based on the 2019/20 Mid-year Adjustments Budget. The municipality placed significant emphasis on the funding of temporary workers that will be targeting high priority areas such as area cleaning and basic service delivery aspects where a temporary need exists. Further, maintenance of rental units / flats, relocation of outside toilets for the vulnerable, ward-based projects and maintenance of chemical toilets are projects to received high priority in terms of funding. The implementation of these projects will be closely monitored given the importance and impact it will have on the beneficiaries.

Other expenditure: The low percentage increase in other expenditure is due to the cost containment not being increased and also the conservative approach applied by the municipality.

Please refer to SA1 for the detail.

3.5.3 Capital Budget

MBRR Table A5 - Budgeted Capital Expenditure by standard classification and funding source

Please refer to Annexure A

The municipality implemented quarterly budget engagements where performance of the capital budget & Grant funding is tracked.

Technical Services Capital Projects

The list below represents the major / significant capital projects included in the Final MTREF.

Description	Finance Source	Finance Source Desc.	2021/22 Budget	2022/23 Budget	2023/24 Budget
<u>Technical Services</u>					
<u>Not Allocated to Wards</u>					
<u>Worcester WwTW</u>					
-	-	-			
<u>Stettynskloof Water Supply (Worcester/Rawsonville)</u>					
Upgrading of Stettynskloof Supply Pipe Line - Phase 3 (MIG 164422)	8,0	MIG		3 421 924	
<u>Rawsonville WwTW</u>					
Extension of WwTW (0,24 MI/day)	8,0	MIG	6 296 742

References										
1. Include services provided by another entity; e.g. Eskom										
2. Stand distance <= 200m from dwelling										
3. Stand distance > 200m from dwelling										
4. Borehole, spring, rain-water tank etc.										
5. Must agree to total number of households in municipal area (informal settlements receiving services must be included)										
6. Include value of subsidy provided by municipality above provincial subsidy level										
7. Show number of households receiving at least these levels of services completely free (informal settlements must be included)										
8. Must reflect the cost to the municipality of providing the Free Basic Service										
9. Reflect the cost to the municipality in terms of 'revenue foregone' of providing free services (note this will not equal 'Revenue Foregone' on SA1)										

Kindly refer to Appendix A for the detailed Schedule A tables.

Brede Valley Municipality do not have any entities, therefore, no consolidation of budget information and tables are presented in the document and other supporting documentation.

PART 2 – Supporting Documentation

5. Overview of Annual Budget Process

Step No	ISSUE	TIMEFRAME
1	IDP/Budget Process Plan/Timetable approved by council	Aug 2020
2	IDP Meetings – inputs from Ward Councilors & Ward Committees	Oct 2020
3	First IDP/ Budget Steering Committee Meeting	Nov 2020
4	Departmental inputs on Draft allocations	Nov & Dec 2020
5	2 nd Budget Steering Committee – Consider Adjustment budget	Jan 2021
6	Draft Budget input captured and Budget balanced	March 2021
7	Draft IDP & Budget tabled in Council	March 2021
8	IDP & Budget workshop - Council	April 2021
9	Public Consultation	April 2021
10	Finalise Sector / Dept Strategy Plan / Budget - IDP	April 2021
11	Consideration of Comments received	April 2021
12	Tabling of Final MTREF	End May 2021

Process Plan

	STEP	PROCESS
1.	Planning	Schedule key dates, establish consultation forums, review previous processes
2.	Strategising	Review IDP, Determine priorities, set service delivery targets and objectives for the next three years, consult on tariffs, indigent, credit control, free basic services, etc and consult local, provincial, and national issues, previous years performance and current economic and demographic trends.
3.	Preparing	Prepare budget, revenue, expenditure projections, draft budget policies, consult and consider local, provincial and national priorities.
4.	Tabling	Table draft budget, IDP and budget related policies before the council, consult and consider formal local, provincial, and national inputs and responses.
5.	Approving	Council approves budget and related policies.
6.	Finalising/ Implementation	Publish and approve SDBIP and annual Performance agreements and indicators. Publish Budget in terms of sect.22 MFMA

The IDP / Budget process plan was consulted with all relevant stakeholders, whom are:

- Council
- Executive Mayor and Mayoral Committee
- Accounting Officer
- Management
- Institutional Committees
- District Municipality (Cape Winelands District Municipality)
- Intergovernmental (National Treasury, Provincial Treasury and Department of Local Government)
- Ward councillors, ward committees and community in wards

6. Overview of alignment of annual budget with Integrated Development Plan

The below diagrams illustrates the link between the municipality’s IDP and Budget

9. Overview of Budget Related Policies

The following budget related policies are in use:

- Asset Management Policy
- Borrowing Policy
- Budget Policy
- Budget Virement Policy
- Costing Policy
- Credit Control and Debt Collection Policy
- Funding and Reserves Policy
- Insurance Management Policy
- Long Term Financial Plan Policy
- Property Rates Policy
- Tariff Policy
- Write-off Policy
- Supply Chain Management Policy
- Cost Containment Policy

Please refer to annexure D for the budget related policies.

10. Overview of Budget Assumptions

The following budget assumptions were used as basis for compilation of the 2021/22 MTREF:

- Tariff increases:

Service	Percentage Increase (%)
Electricity	NERSA final guideline
Water	5%
Sewerage	5%
Refuse	5%
Rates	New General Valuation

***Kindly refer to Annexure E for the complete list of tariffs.**

- CPIX = 3.9 percent (MFMA budget circular)
- Employee related cost is based on the 5% increase.
- Government Grant will be received as gazetted by National and Provincial Government.
- Electricity bulk purchases in line with NERSA guideline consultation paper.

- Minimal growth in revenue base. Mostly related to low cost housing.
- No / limited increases applied on cost containment items.
- Indigent households are anticipated be in the region of 10 000 households (formal)
- Budgeted collection rate equals to 85 percent
- Conditional grant will be fully spent.
- Credit rating: Baa1.za

11. Overview of Budget Funding

Funding sources of operating expenditure budget.

This overview provides the funding for operating expenditure to be incurred in future financial years.

WC025 Breede Valley - Table A1 Budget Summary

Please refer to table A1 of Annexure A

Funding sources of capital expenditure budget

Similar to the operating revenue, the capital funding indicates how the capital programme of the municipality will be financed in future years. Based on the above table, it is clear that the municipality is largely grant dependant when external funding (loans) are not being taken up.

However, it should be noted that significant progress was made with regards to the contribution of own resources to the capital programme in recent years.

Internal funding in the form of the Capital Replacement Reserve (CRR) is cash backed and sufficient to cover the related capital expenditure projects for the budget year. The municipality remains committed in growing the CRR by making contributions to this reserve to enable better service delivery in the form of capital expenditure. Projects funded from the CRR will be closely monitored to aid implementation and where adjustments are required due to implementation challenges, funds will be directed or reprioritised as per the prerogative of management, through the guidance of the IDP and / or the municipality's financial status.

12. Expenditure on allocations and grant programmes

MBRR SA19 - Expenditure on transfers and grant programmes

Kindly refer to table SA19 of Annexure A.

13. Allocations or grants made by the municipality

MBRR SA21- Transfers and grants made by the municipality

**6.3 DRAFT MUNICIPAL PROPERTY RATES BY-LAW: SECOND INTRODUCTION
TO COUNCIL FOR ADOPTION****File No.:** 1/1/3/13**Responsible Official:** R Ontong**Directorate:** Finance**Portfolio:** Revenue Section

1. PURPOSE

The purpose of this item is for Council to consider the adoption of the Municipal Property Rates By-Law in order to give effect to the implementation of its Property Rates Policy and the mandating of Directorate Finance: Revenue Section to promulgate the By-Law in the Government Gazette.

2. BACKGROUND

During the Council meeting of 30 March 2021 Council resolved as follows in respect of the Draft Municipal Property Rates By-law:

RESOLVED**C31/2021*****That in respect of******DRAFT MUNICIPAL PROPERTY RATES BY-LAW: FIRST INTRODUCTION TO
COUNCIL******discussed by Council at the Council meeting held on 30 March 2021:***

1. *The current Municipal Property Rates By-law provisionally be repealed in its entirety;*
-

2. *the proposed draft Municipal Property Rates By-law (Annexure B) be provisionally approved subject to:*
 1. *the publication of the proposed draft by-law affording the public an opportunity to comment and/or make representations on the draft by-law; and*
 2. *a workshop being conducted with Councillors in respect of the proposed draft by-law;*
 3. *After the closing date for public comments and/or representations, an item be resubmitted to Council including any written comments to consider the final adoption of the draft Municipal Property Rates By-law.*

In implementation of the above Council resolution, the draft By-law was published, as per the attached **Annexure A**. Furthermore, a workshop was conducted with Councillors on 13 April 2021.

It is confirmed that on the closing date for comments, no objections / or representations were received from the public.

Section 12(3) of the Local Government: Municipal Systems Act (No. 32 of 2000) determine that:

“No by-law may be passed by a municipal council unless –

- (a) all the members of the council have been given reasonable notice; and*
- (b) the proposed by-law has been published for public comment in a manner that allows the public an opportunity to make representations with regards to the proposed by-law.”*

3. FINANCIAL IMPLICATIONS

Provision has been made in the current budget for the costs of promulgating the proposed By-Law in the Government Gazette.

4. APPLICABLE LEGISLATION / COUNCIL POLICY

The Constitution of the Republic of South Africa

Local Government: Municipal Systems Act

Local Government: Municipal Finance Management Act

Local Government: Municipal Property Rates Act

5. CONCLUSION

It is proposed that Council consider the adoption of the proposed Municipal Property Rates By-law, attached as **Annexure B**.

6.4 REPORT TO COUNCIL ON DEVIATIONS FOR THE MONTH OF: April 2021**File No./s:** 2/1/1/1**Responsible Official:** R. Ontong**Directorate:** Financial Services**Portfolio:** Supply Chain Management

1. Purpose

To report to Council on all deviations and their reasons, approved by the delegated authority in terms of paragraph 36(2) of the Supply Chain Management Policy, for the month of April 2021.

2. Background

The purpose of this report is to ensure that Council maintains oversight over the implementation of the Supply Chain Management Policy. In terms of paragraph 36(2) of the said policy, the Accounting Officer must record the reasons for any deviations in terms of paragraph 36(1)(a) of the policy and report them to Council. However, it must be noted that these deviations also serve on the **monthly Section 71** (MFMA) report/s to Mayco and **quarterly Section 52** (MFMA) report/s to Council.

Deviations approved in terms of paragraph 36(1)(a) for the month of April 2021, are attached as **Annexure A**.

3. Financial Implications

Reference can be made to the total approved amount as reflected in annexure "A"

4. Applicable Legislation / Council Policy

Municipal Finance Management Act. 2003, (Act 56 of 2003)
Breede Valley Supply Chain Management Policy, as amended.
Supply Chain Management Regulations

RECOMMENDATION

In respect of

REPORT TO COUNCIL ON DEVIATIONS FOR THE MONTH OF: April 2021

Discussed by Council at the Council Meeting held on 25 May 2021:

1. That the deviations from the procurement processes, approved in terms of the delegated authority for the month of April 2021, **be noted**.

To Action

M. Potgieter

6.5 PROPOSED AMENDMENTS TO CONTRACTS IN COMPLIANCE WITH SECTION 116(3) OF THE MUNICIPAL FINANCE MANAGEMENT ACT, 56 OF 2003 (MFMA)**File No./s:** 5/2/5/3**Responsible Official:** D McThomas**Directorate:** Municipal Manager**Portfolio:** Municipal Manager

1. Purpose

The purpose of this item is to table the reasons for the proposed amendments of twelve (12) procurement contracts to the Council for consideration in compliance with section 116(3) of the MFMA.

It is proposed that the following twelve (12) contracts be amended:

1. **Seven Core Financial and or Business Systems -**
 - i. BVD 144/2017 - The core financial system of the Municipality
 - ii. BVD 141/2017 - Document Archiving and automated process and workflow system
 - iii. BVD 117/2017 - Performance management system
 - iv. BVD 111/2017 - Back office fines system
 - v. BVQ 275228/2017 - Works order system
 - vi. BVD 17/2017 - Fully integrated governance risk compliance & audit software solution
 - vii. BVD 382/2020 - ACL Software monitoring system
 2. **DUCHARME CONSULTING COASTAL (PTY) LTD** (BV709 – Provision of Accounting Services to ensure completion of GRAP/MSCOA compliant Annual Financial Statements)
 3. **MEYER AND BOTHA ATTORNEYS** (BV 699: Provision of debt collection services)
 4. **CONSOLIDATED AFRICAN TECHNOLOGIES (PTY) LTD** (BV 700: Supply and delivery of meter reading equipment and software (inclusive of support services))
 5. **LINUX BASED SYSTEMS DESIGN SA (PTY) LTD** (BV728: Provision and maintenance of internet and related services)
 6. **SYNTELL (PTY) LTD** BV 730/2018: Supply installation and management of an STS compliant prepayment electricity vending system)
-

2. Legal Requirements

Section 116(3) of the MFMA provides as follows:

“(3) A contract or agreement procured through the supply chain management policy of the Municipality or municipal entity may be amended by the parties, but only after -

- a) the reasons for the proposed amendment have been tabled in the Council of the Municipality or, in the case of a municipal entity, in the Council of its parent municipality; and*
- b) The local community-*
 - (i) has been given reasonable notice of the intention to amend the contract or agreement and*
 - (ii) has been invited to submit representations to the Municipality or municipal entity.”*

The following three things as set out below must therefore be done before the accounting officer can amend a procurement contract:

- a) The contracts must have been procured through the supply chain management policy of the Municipality.
- b) The reasons for the proposed amendment have been tabled in the Council. And
- c) The local community has been given reasonable notice of the intention to amend the contract or agreement, and they have been invited to submit representations to the Municipality.

3. Contracts procured through the supply chain management policy

It is confirmed that all the contracts as set out below were procured in compliance with the Municipality supply chain management policy.

- 1) BVD 144/2017 - The core financial system of the municipality / Solvem Consulting (Pty) Ltd, previously referred to as Bytes Systems Integration, a division of Altron TMT (Pty) Ltd
 - 2) BVD 141/2017 - Document Archiving and automated process and workflow system / Business Engineering (Pty) Ltd
 - 3) BVD 117/2017 - Performance management system / Ignite Advisory Services
 - 4) BVD 111/2017 - Back office fines system / Total Client Services Ltd
 - 5) BVQ 275228/2017 - Works order system / Pragma (Onkey)
 - 6) BVD 17/2017 - Fully integrated governance risk compliance & audit software solution IDI Technology Solutions (Pty) Ltd
 - 7) BVD 382/2020 - ACL Software monitoring system / Surtech Solutions RSA (Pty) Ltd
 - 8) BV709 – Provision of Accounting Services to ensure completion of GRAP/MSCOA compliant Annual Financial Statements / Ducharme Consulting Coastal (Pty) LTD
 - 9) BV 699: Provision of debt collection services / Meyer and Botha Attorneys
-

- 10) BV 700: Supply and delivery of meter reading equipment and software (inclusive of support services / Consolidated African Technologies (Pty) LTD
- 11) BV728: Provision and maintenance of internet and related services / Linux Based Systems Design SA (Pty) LTD
- 12) BV 730/2018: Supply installation and management of an STS compliant prepayment electricity vending system / Syntell (Pty) LTD

The acronyms above sets out the procurement process followed in compliance with the supply chain management policy.

The acronym BV means a tender process was followed in compliance with the supply chain management policy.

The acronym BVD means a compliant deviation process was followed as prescribed in the municipal supply chain management policy.

The acronym BVQ means a quotation process was followed to procure the services.

It is further confirmed that all applicable contracts above are still valid and enforceable and may be amended.

4. THE REASONS FOR THE PROPOSED AMENDMENTS

4.1 Reason for Proposed Amendments of the Contracts for the Seven Core Financial and or Business Systems

The reasons for the proposed amendments under this heading relate to the seven core financial systems, namely:

No	Ref no	Service Provider name	Description
1	BVD 144/2017	Solvem Consulting (Pty) Ltd, previously referred to Bytes Systems Integration, a division of Altron TMT (Pty) Ltd	The core financial system of the Municipality
2	BVD 141/2017	Business Engineering (Pty) Ltd	Document Archiving and automated process and workflow system.
3	BVD 117/2017	Ignite Advisory Services	Performance Management system and related services
4	BVD 111/2018	Total Client Services Ltd	Back office fines system
5	BVQ 275228/2017	Pragma (Onkey)	Works order system
6	BVD 17/2017	IDI Technology Solutions (Pty) Ltd	Fully integrated governance risk compliance & audit software solution

No	Ref no	Service Provider name	Description
7	BVD 382/2020	Surtech Solutions RSA (Pty) Ltd	ACL Software monitoring system

Per Circular 57 dated 20 October 2011, National Treasury has cautioned municipalities not to change their core financial and business systems or invite new systems proposals. It warned that such changes could only be considered once the following has been done:

- i. "National and Provincial Treasuries should immediately be informed of any intention to replace the business, accounting or billing system currently operating at the Municipality.
- ii. The submission should include a comprehensive motivation with specific reasons for why it is deemed necessary to replace the existing financial system.
- iii. A copy of the service level agreement with minutes of the meetings between the Municipality and the current service provider (financial system vendor) during the previous twelve months must be made available.
- iv. The organisational structure, specifically for the IT department/function, clearly indicating management capacity and responsibility for operating the financial system, must be submitted;
- v. An assessment should be done to determine which the Municipality is utilising modules of the existing financial system, and reasons must be provided for modules, not in operation.
- vi. If an existing system is not an ERP system, the Municipality must provide details of any other systems utilised by the Municipality.
- vii. The date on which the existing financial system was implemented, the procurement and implementation costs and the current operational costs must be disclosed.
- viii. A technical assessment must be undertaken on the server, and network requirements of the new financial system and a copy of such report should be submitted; and
- ix. Copies of all IT strategies, policies, and procedural documents, including the IT disaster recovery plan, must be made available.

In line with the above, the Municipality appointed a service provider to assess all current systems and proposed a roadmap for the best IT infrastructure for the Municipality. The report shall be discussed at the Mayoral Committee, after which the same shall be submitted to Council for consideration. Thus, the accounting officer can only invite proposals for new systems once Council has adopted the completed ICT Feasibility Study Report. The views of National Treasury and Provincial Treasury have been solicited.

Further, the ability to remain constantly aligned with the strategic goals and objectives of the Municipality as well as the statements of direction from the National Government is inhibited by two significant factors:

Legacy Business Systems

Various business systems with similar functionalities are deployed in the Breede Valley Municipality, resulting in ongoing increases in and payment of annual licensing fees and support fees without receiving any substantive value-added services or functionalities as part of the

existing Agreements. Also, continuous data integration between disparate business systems results in increased complexities while maintaining data integrity between systems.

Multiple Vendor Contracts

The day-to-day management of vendor business systems contracts remains a significant challenge for all municipalities. Vendor contracts are usually very one-sided and do not adequately mitigate the potential risks, legally or otherwise, to which municipalities might be exposed during the term of such agreements.

The Proposed Contract Amendment

Implementing any new ICT Systems is a complicated and involved process and cannot occur in a period shorter than three years. Therefore, it is recommended that the core business and financial systems be amended to extend the current systems for three years.

4.2 Reasons for the Proposed Amendment of BV709 – Provision of Accounting Services to Ensure Completion of GRAP/MSCOA Compliant Annual Financial Statements / Ducharme Consulting Coastal (Pty) LTD

The Municipality currently has a tender with Ducharme Consulting Coastal (Pty) Ltd, which expires on 30 June 2021. The service provider was appointed to ensure that the Municipality compiles GRAP/ MSCOA compliant Annual Financial Statements. The Annual Financial Statements of the Municipality are being compiled in-house. Due to the technical nature and the constant development and change in the accounting framework for municipalities, a service provider is appointed to review the compliance of the Municipality's Annual Financial Statements to the accounting framework and applicable legislation. The service provider also provides skills transfer to the staff of Breede Valley Municipality in line with the relevant amendments to the Accounting Framework.

To appoint a new service provider from 1 July 2021 poses the following risks to the Municipality, namely:

- a) In terms of Section 126(1)(a) the Municipality must submit the Annual Financial Statements to the Auditor-General for auditing two months after the financial year-end (31 August 2021), which implies that the new service provider will only have two months to adhere to the scope of work.
 - b) The service provider, in terms of its high-level review scope of work, includes testing of the integrity of data which means that the new service provider would have to familiarise itself with the current financial system of the Municipality; it further implies that the service provider would need to assess prior year data and assess possible reclassifications in terms of MSCOA and the accounting standards within that two months' timeframe.
 - c) The 2019-20 audit for municipalities has only been finalised on 28 February 2021 due to the two-month exemption provided by the Minister because of COVID 19.
-

- d) The finance team commenced with the planning of the 2020/21-year end procedures in March 2021 already.
- e) The current service provider is familiar with the challenges and risks experienced and identified during the previous audit cycle and is also part of the planning and preparation for financial year end and AFS submission on 31 August 2021.

The following risks associated with not having the abovementioned contract being extended are as follows:

- (a) No financial year-end assistance.
- (b) No skills transfer in terms of the accounting framework.
- (c) No high-level review performed on Annual Financial Statements.

All the above might result in non-detection of possible misstatements in the Annual Financial Statements, which might have a negative impact on the audit outcome of the Municipality. To ensure that methodology and consistency is not being compromised throughout the preparation and implementation of the audit process, the exceptional circumstances mentioned above necessitate the extension of the current contract until 31 December 2021.

The Proposed Contract Amendment

It is therefore proposed that the contract with the current service provider (Ducharme Coastal Consulting), be amended to change the current contract end date from 30 June 2021 to 31 December 2021 for the reasons set out above.

4.3 Reasons for the Proposed Amendment of the Contract for the Provision of Debt Collection Services - BV 699: Meyer And Botha Attorneys

Meyer and Botha Attorneys were appointed through tender BV 699 to deliver the provision of debt collection services for a period ending 30 June 2021.

Meyer and Botha Attorneys are still on record with the full power of attorney because of the tender in the following matters:

- An estimated two hundred (200) summonses.
- Eighty-five (85) judgments on the court's rolls with the last date 15 June 2021.
- Fifty (50) Section 65A1 awaiting court dates
- Hundred and sixty (160) low income debtors that were 80% hard trace and need decisions on to move forward or write off. And
- Two hundred and seventy (270) current open files for down payments on record.

The above files and work cannot merely be given to another legal representative to continue work on it. It would be costly for such a legal representative to *de novo* familiarise herself with the legal files' full content over several years. This might cause delays and or non-payment in cases where arrangements are already in place to the detriment of the Council.

The most extended period for which Meyer and Botha Attorneys currently have an agreement for the down payment of areas accounts is thirty-six (36) months.

The Proposed Amendment

The proposed amendment to this contract is to:

- a) Allow Meyer and Botha Attorneys to continue as attorneys of record with all files in their possession as of 30 June 2021;
- b) That the exact provisions of the current contract shall continue to apply to the amended contract safe that:
 - i. No new instructions may be given to Meyer and Botha Attorneys under this contract. And
 - ii. The contract shall be for a period no longer than thirty-six (36) months from the date of 1 July 2021.
 - iii. That all work not completed by Meyer and Botha Attorneys after the thirty-six (36) months shall revert to the Municipality, and all power of attorneys shall be terminated.

4.4 Reasons for the Proposed Amendment of BV 700: Supply and delivery of meter reading equipment and software (inclusive of support services) - Consolidated African Technologies (Pty) LTD

The Municipality is currently using the meter reading software system to record and import the meter readings to the financial system used to process the monthly billing on the accounts. The Municipality paid maintenance and annual license to operate on the meter reading software.

The contract in terms of provisioning of meter reading services (BV719) is ending 30 June 2021. The user department has decided that no new tender process is needed for these services since these services can be rendered internally and that they only require the software services in terms of contract BV700. In addition, the software provided by CAT already interfaces and integrates with the current meter reading equipment as well as the SAMRAS Billing system. Hence, they require the software to continue functioning on the meter readers' existing equipment to conduct meter reading services.

As the contract is coming to an end 30 June 2021 means that the license and well as maintenance of the devices will also expire. As part of the mSCOA system requirements that the Financial System should seamlessly intergrade the different components and modules, SAMRAS is currently in the advanced stages of developing a modernised billing system that integrates meter reading within the system. In anticipation of this development, internal planning mechanisms in the finance department decided not to start a new bidding process.

The Proposed Amendment

It is proposed that for the reasons stated above, the contract BV 700: Supply and delivery of meter reading equipment and software (inclusive of support services) with Consolidated African Technologies (Pty) LTD be extended for one year until 30 June 2022.

4.5 Reasons for Proposed Amendment of BV728: Provision and maintenance of internet and related services - Linux Based Systems Design SA (Pty) LTD

Tender BV728 for the provision and maintenance of internet and related services was awarded to Linux Based Systems Design SA (Pty) LTD, and the contract persists until 30 June 2021. Part of this infrastructure and setup is the Internet Service, allowing the municipality systems to operate optimally and data to be accessed and stored securely.

The network connectivity through the tender is paramount as all internet-related systems, including financial data (SAMRAS), the electronic record management system (Collaborator), On-Key and e-mails, are relayed via this infrastructure. It follows that in the absence of this service, the Municipality will undoubtedly be exposed to a severe risk of being unable to retrieve critical data should such need arise.

With the project initiation at the tender award, the current service provider had extensive capital outlays that are now already installed. If a new service provider is considered, such services shall include new capital investment, thus making the project more costly than just mere monthly fees which are currently paid. The ICT department intended during the 2020/2021 draft budget planning process to initiate a tender early in the current financial year, with the view of having a longer-term contract in place, but due to the uncertainty of the collection rate at the time, projects were scaled back thus impacting on a new long term procurement process for internet and related services. Regarding financial constraints in the current year, the full long-term internet tender, including additional capital input, was not feasible. The only viable option is to extend the existing service contract with the already capital outlay for a maximum period of one year, thus providing a platform to secure funding in the outer financial years commensurate with funding prioritisation.

The Proposed Amendment

The proposed amendment to contact Tender BV728 for the provision and maintenance of internet and related services with Linux Based Systems Design SA (Pty) LTD is to amend the contract end date to 30 June 2022 subject to all the same conditions of the current contract.

4.6 Proposed Amendment of contract BV 730/2018: Supply installation and management of an STS compliant prepayment electricity vending system - Syntell (Pty) LTD

Breedee Valley Municipality has appointed Syntell (Pty) Ltd to provide a service to ensure that the existing prepayment meter vending footprint for about 21 298 meters operates within a legislative and industry compliant environment (financial and technical). The service provider must maintain the sound system - and engineering capacity. Syntell (Pty) Ltd is also responsible for providing the Municipality with a financial- and installation data management service and the implementation of data management – and preventative revenue protection service.

To appoint a new service provider from 1 July, 2021 poses the following risks to the Municipality, namely:

- a) In terms of the Electricity Regulation Act section 15 (1)(d) the Municipality's electricity distribution license is conditionally subjected to the Regulator's approval of the Municipality's electricity tariffs. The mentioned tariff submission is reviewed by the National Energy Regulator of South Africa (NERSA) on an annual basis to determine an appropriate tariff guideline increase, which is then communicated to Municipality as a guide in deciding its yearly electricity tariffs.

The municipal internal control mechanisms provide for the pre-approval of the Municipality's electricity tariffs around April / May each year based on preliminary tariff increase benchmarks from NERSA. The next Council meeting is scheduled for May 2021. Herein an item proposal will be tabled to the Municipality's Council to approve the Municipality's Tariff Policy (pending the final tariff increase guideline for Breede Valley Municipality). The release of the mentioned NERSA tariff increase guideline will serve (should there be no conflict) as final tariff approval before any adjustments can be implemented on the various financial systems of the Municipality.

Hereafter the Municipality will be legally required to amend the electricity tariffs on the prepayment vending system before the commencement of the new financial year (01 July 2021). If it were not accompanied by real-time transaction testing, token format changes and user-acceptance-test approvals, previous tariff amendment operations would have posed a revenue risk to the Municipality.

The existing industry standard for the tariff formula adjustment (on the electrical vending system) entails the applicable system tests and municipal acceptance authorisation within a period of 3 to 4 weeks before the end of June 2021.

At the commencement of the 2018/2019 financial year on 01 July 2018, the previous service provider did not perform the necessary system tests before the adjusted tariff formulas were configured on their vending system. During the mentioned period, the system processes, at the time, did not make provision for any evaluation, production - and field tests for tariff adjustment configurations before the end of the financial year.

Hereafter a system malfunction occurred that catastrophically affected the system's transactional functions for De Doorns and Touws River (see attached incident report). Consequently, the transactional function was compromised, and municipal consumers had to be re-issued with equivalent replacement tokens to remedy the token rejections experienced by various prepayment meters. Although the malfunction mainly affected the meters in the remote towns, cases of token rejections were also received in Worcester.

Breede Valley Municipality delegated electrical – and financial personnel and dedicated resources to address the multiple consumer complaints at the time. During the said period, the image of the Municipality was severely tainted; in reaction hereto, consumer awareness activities were applied to mitigate the resultant friction between the Municipality and the public.

To prevent any reputational – and revenue risks to the Municipality, the mentioned pre-evaluations and tests addresses any possible system malfunctions that could arise during the new tariff implementation stage when the new financial year commences. A new service provider will not be able to have access to the real-time environment and will not provide the Municipality with credible transactional tests and system clearance before 01 July 2021.

- b) The vending system's data migration process and system implementation require an approximate margin of about eight weeks before the implementation and commencement date. The following few months directly after that is the most critical space due to: database reviewal, various organisational business analysis, process analytics, the resultant system customisation, essential personnel training, user acceptance testing, UAT approvals and operational process set up for the revenue protection teams as well as the required directly managed – and third party prepayment meter vendors. The new service provider must ensure that the abovementioned requirements are adhered to within an approximate three-month timeline after the contract implementation date.

In compliance with section 126 (1) (a) of the Municipal Financial Management Act, the Municipality will be required to produce Annual Financial Statements to the Auditor General Office within two months after the end of the financial year. Due to the above mentioned outlined factors, the newly appointed service provider will have a limited time frame of operational exposure to our Municipality's vending system environment to sufficiently comply with the Auditor General's operational and information requests.

The required Auditor General reporting for the current financial year must be extracted from the live database after 30 June 2021. If a new service provider is appointed by the end of June 2021, customised systems scripts need to be developed to extract the system's targeted data. Additionally, the process of removing the migrated data from the existing database will be nearly impossible due to the factors listed above and because of possible system development that must be performed on the new vending system.

The above aspects might result in the non-detection of possible misstatements in the Annual Financial Statements, which might have a negative impact on the Auditor General's audit outcome of the Municipality.

The Proposed Amendment

Based on the abovementioned reasons, it is proposed that the contract with the current service provider (Syntell Pty Ltd) be extended to 31 October 2021, subject to the same conditions applicable to the current agreement.

5. Notice to the Local Community

Section 116(3)(b) obliges that the local community be given reasonable notice of the intention to amend the contract or agreement and that they are invited to submit representations to the Municipality. The sub-section is not prescriptive whether the notice should be given to the local community before the item is tabled in Council or not.

What is, however, unambiguous is that a contract can only be amended after the local community was given reasonable notice of the intention to amend and they have been offered an opportunity to provide input.

The accounting officer can thus use his discretion in this regard. For this reason, all the public notices were already placed on the municipal notice boards, and the website as set out below.

No comments were received from the public on the notices that already closed for public input.

Two notices close for public comments on 11 June 2021.

No	Ref no	Service Provider name	Description	Date of Notice and Closing date for Public Comments
1	BVD 144/2017	Solvem Consulting (Pty) Ltd, previously referred to Bytes Systems Integration a division of Altron TMT (Pty) Ltd	The core financial system of the Municipality	10 February 2021 -12 March 2021

Breed Valley Municipality Supply Chain Management Policy, as amended

Breed Valley Municipality Contract Management Framework as part of the SCM Policy, as amended

Section 116 (3) of the Municipal Finance Management Act 56 of 2003 determines as follows—

“A contract or agreement procured through the supply chain management policy of the Municipality or municipal entity may be amended by the parties, **but only after**— (*own highlight and underlining*)

- (a) the reasons for the proposed amendment have been tabled in the Council of the Municipality or, in the case of a municipal entity, in the Council of its parent municipality; and
- (b) the local community—
 - (i) has been given reasonable notice of the intention to amend the contract or agreement; and
 - (ii) has been invited to submit representations to the Municipality or municipal entity.”

COMMENTS OF DIRECTORS AND LEGAL SERVICES

- **Municipal Manager:** Recommendation supported
- **Director Engineering Services:** Item and recommendation supported.
- **Director Public Services:** Recommendation supported
- **Chief Financial Officer:** Recommendation supported
- **Director Community Services:** Recommendation supported
- **Director Strategic Support Services:** Support the recommendation
- **Senior Manager Legal Services:** Support the item

RECOMMENDATION

That in respect of -

The PROPOSED AMENDMENTS TO CONTRACTS IN COMPLIANCE WITH SECTION 116(3) OF THE MUNICIPAL FINANCE MANAGEMENT ACT, 56 OF 2003 (MFMA)

as discussed by Council at the Council meeting held on 25 May 201:

It is recommended that Council:

1. Note that the contracts proposed to be amended as set out in the table of point number 2 below were procured through the Municipality's Supply Chain Management Policy.
2. Approve in principle that the contracts as set out in the table below be amended as reflected

No	Ref no	Service Provider name	Description	Period of Amendment Proposed	Conditions or limitations on Amendments
1	BVD 144/201 7	Solvem Consulting (Pty) Ltd, previously referred to Bytes Systems Integration, a division of Altron TMT (Pty) Ltd	The core financial system of the Municipality	A period not exceeding 36 months from 1 July 2021	Safe for the period amended, the contract shall be subject to the same conditions as the current contract.
2	BVD 141/201 7	Business Engineering (Pty) Ltd	Document Archiving and automated process and workflow system.	A period not exceeding 36 months from 1 July 2021	Safe for the period amended, the contract shall be subject to the same conditions as the current contract.
3	BVD 117/201 7	Ignite Advisory Services	Performance Management system and related services	A period not exceeding 36 months from 1 July 2021	Safe for the period amended, the contract shall be subject to the same conditions as the current contract.
4	BVD 111/201 8	Total Client Services Ltd	Back office fines system	A period not exceeding 36 months from 1 July 2021	Safe for the period amended, the contract shall be subject to the same conditions as the current contract.
5	BVQ 275228/ 2017	Pragma (Onkey)	Works order system	A period not exceeding 36 months from 1 July 2021	Safe for the period amended, the contract shall be subject to the same conditions as the current contract.
6	BVD 17/2017	IDI Technology Solutions (Pty) Ltd	Fully integrated governance risk compliance &	A period not exceeding 36	Safe for the period amended, the contract shall be subject to

No	Ref no	Service Provider name	Description	Period of Amendment Proposed	Conditions or limitations on Amendments
			audit software solution	months from 1 July 2021	the same conditions as the current contract.
7	BVD 382/2020	Surtech Solutions RSA (Pty) Ltd	ACL Software monitoring system	A period not exceeding 36 months from 1 July 2021	Safe for the period amended, the contract shall be subject to the same conditions as the current contract.
8	BV709	Ducharme Consulting Coastal (Pty) LTD	Provision of Accounting Services	Until 31 December 2021	Safe for the period amended, the contract shall be subject to the same conditions as the current contract.
9	BV 699	Meyer and Botha Attorneys	Provision of debt collection services	A period not exceeding 36 months from 1 July 2021	<p>1. To remain attorneys of record with all files in their possession as of 30 June 2021.</p> <p>2. That the exact provisions of the current contract shall continue to apply to the amended contract safe that:</p> <p>i. No new instructions may be given to Meyer and Botha Attorneys under from 1 July 2021.</p> <p>ii. The amended period shall be no longer than thirty-six (36) months from the date of 1 July 2021.</p> <p>iii. That all work not completed by Meyer and Botha Attorneys after the thirty-six (36) months shall revert to the Municipality, and all power of attorneys shall be terminated.</p>
10	BV 700	Consolidated African Technologies (Pty) LTD	Supply and delivery of meter reading equipment and software	A period not exceeding 30 June 2022	Safe for the period amended, the contract shall be subject to the same conditions as the current contract.
11	BV728	Linux Based Systems Design SA (Pty) LTD	Provision and maintenance of internet and related services	A period not exceeding 30 June 2022	Safe for the period amended, the contract shall be subject to the same conditions as the current contract.

No	Ref no	Service Provider name	Description	Period of Amendment Proposed	Conditions or limitations on Amendments
12	BV 730/201 8	Syntell (Pty) LTD	Supply installation and management of an STS compliant prepayment electricity vending system	A period not exceeding 31 October 2021	Safe for the period amended, the contract shall be subject to the same conditions as the current contract.

2. Note that the municipal manager already gave reasonable notice of the intention to amend the contracts or agreements set out in the table of point 2 above to the local community and that they were invited to submit representations.

3. Note that no comments were received by the local community where the period for representations has already lapsed.

4. Resolve that an item only be resubmitted to Council should any comments/representations be received in the matters where the deadline for public comments have not already lapsed.

6.6 SMALL SCALE EMBEDDED GENERATION (SSEG) POLICY: 2021**File No. /s:** 11/2/B**Responsible Official:** H Benecke**Directorate:** Engineering Services**Portfolio:** Electrical Services Department.

1. Purpose

The purpose of this item is for Council to consider the approval of the Small-Scale Embedded Generation Policy.

2. Background

This document is to give guidance regarding Breede Valley Municipality's requirements and application process for connecting all forms of embedded generation technologies such as photovoltaic systems to the Breede Valley Municipality electricity network, including renewable energy and co-generation.

3. Financial Implication

Increases in the price of electricity and rapidly decreasing costs of Embedded Generation (EG) solutions will impact negatively on municipal revenue.

4. Applicable Legislation

NRS 097-2 Grid interconnection of embedded generation. Part 2 Small scale – embedded generation.

Electricity Regulation Act, Act 4 of 2006, and Electricity Regulation Amendment Act, Act 28 of 2007 as amended.

South African Distribution Code (all parts)

South African Renewable Power Plants Grid Code.

Occupational Health and Safety Act 1993, as amended.

SANS 10142 – Parts 1 to 4. Wiring of premises.

SANS 474/NRS 057 Code of Practice for Electricity Metering

NRS 047 Electricity Supply – Quality of Services

NRS 048 Electricity Supply – Quality of Supply

NRS 097-1: Code of practice for the interconnection of embedded generation to electricity distribution networks: Part 1 MV and HV (Eskom 240-61268576/DST 34 -1765: Standard for the interconnection of embedded generation is applicable until published.

Applicable to Breede Valley Municipalities electricity tariffs

Previous Council Resolution:

“RESOLVED

C47/2021

That in respect of –

DRAFT: SMALL SCALE EMBEDDED GENERATION (SSEG) POLICY: 2021

as discussed by Council at the Council meeting held on 28 April 2021 Council decide:

1. *That the draft SSEG policy be approved;*
2. *that a workshop be conducted with Councillors; and*
3. *that the final SSEG policy be submitted to Council for approval”*

Feedback regarding Council Resolution:

Workshop dated 11 May 2021 was held with Councillors.

**6.7 ADOPTION OF THE BREDE VALLEY MUNICIPALITY ZONING SCHEME
BYLAW****File No./s:** 10/3/R**Responsible Official:** PSJ Hartzenberg**Directorate:** Public Services**Portfolio:** Public Services

1. PURPOSE

The purpose of this report is to obtain approval from Council to adopt the Draft Breede Valley Municipal Zoning Scheme Bylaw.

2. BACKGROUND

The revision of the planning legislation, specifically for Municipalities, started with the promulgation of the Spatial Planning and Land Use Management Act (SPLUMA), Act 16 of 2013. Since then the Regulations for this Act was published as well as Western Cape Land Use Planning Act (LUPA), Act 3 of 2014 and its Regulations. SPLUMA stipulates in Section 24(1) that a municipality must adopt a single land use scheme for its entire municipal area within 5 years from the commencement of said Act.

Currently the Breede Valley Municipal area is covered by three different zoning schemes. These different zoning schemes are outdated and have also not kept track with the changing development context of the area. As a consequence, these zoning schemes complicate development management to the extent that they hamper development.

Consequently, it is necessary to consolidate the different zoning schemes into a single scheme, as well as to modernise the zoning scheme into an innovative tool which is more suited for managing the challenges of development. A zoning scheme is however a complex legal document that affects the rights of all properties and to develop and introduce a new zoning scheme is a laborious task which requires specialised expertise and can result in a costly exercise.

In order to assist municipalities, the Western Cape Provincial Government (WCPG) has embarked on a process to develop a Proposed Standard Draft Zoning Scheme By-law (SZSB). During this process many professionals from across the Provincial, Local Government and private sector spheres have participated to develop such model SZSB, which was also fully vetted by a legal team of the PGWC. The municipalities in the Western Cape had three options; to draft their own scheme, use the proposed draft scheme as basis and make amendments to suite any specific needs of the municipality or adopt the draft scheme as is. Breede Valley opted to use the draft scheme and make amendments to suite our municipal area. The zoning scheme consists of the following components namely, the BVM Zoning Scheme By-law; the zoning scheme map and the zoning register.

On 26 February 2019, per resolution number C18/2019, Council resolved to use the Proposed Draft SZSB as a basis and make any amendments and additions to this scheme to suite any specific needs that the municipality may have.

On the 28th of January 2020, per resolution number C3/2020, Council resolved as follows:

1. That the proposed Draft Breede Valley Municipal Integrated Zoning Scheme be approved as a draft By-law and be submitted to the Department of Environmental Affairs and Development Planning for preliminary evaluation.
2. That the Draft By-Law be published for public participation and comment as well as be workshopped by Council.
3. That after such public participation process all comments will be considered and the necessary changes will be affected where after the draft bylaw will be adopted for promulgation as a by-law.

3. Public participation

The draft BVM Zoning Scheme By-Law was advertised for public comment in February 2020 and the commenting period ended on the 6th of April 2020. Public open days were held in Worcester, Rawsonville, De Doorns and Touws River on the 10th and 11th of February 2020. (See Annexure B for advertisement). Comment were requested from Department of Environmental Affairs and Development Planning (DEADP) on 20/01/2020 and their comments were received on the 16th of April 2020. Comments received from DEADP are attached as Annexure C. Copies of the draft Breede Valley Zoning Scheme By-Law were made available for viewing at every municipal library and town planning municipal offices as well as the municipal website throughout the public participation process. Copies of the Draft Zoning Scheme was made Due to the National Covid-19 lockdown and restrictions, the Council workshop could not

be held in 2020. The Council workshops were held on the 9th and 10th of March 2021. (See Annexure D for Council Workshop invitation and attendance register).

No formal comments were received from the public or Council. The comments received from DEADP were addressed and final changes applied to the document. Minor changes were made to the By-law to ensure consistency between the Breede Valley Municipal Policies and development frameworks that takes into cognizance Breede Valley Municipal area specific town planning needs.

4. Financial Implications

The project is undertaken in-house at no additional financial costs to the normal annual departmental operational cost.

5. Applicable Legislation / Council Policy

- Municipal Systems Act, Act 32 of 2000
- Spatial Land Use Management Act, Act 16 of 2013
- Land Use Planning Act, Act 3 of 2014
- Breede Valley Municipal Land Use Planning Bylaw, P. N. 7485, 8 September 2015

6.8 PRESUMED STRATEGIC RISK MANAGEMENT REPORT FOR THE 2021-2022 FINANCIAL YEAR**File No. /s:** 3/15/1**Responsible Official:** E Cloete**Directorate:** Municipal Manager**Portfolio:** ERM

1. Purpose

To report to Council on the outcome of the annual risk identification and assessment process which took place during 2020-2021 financial year for the Presumed Strategic Risk Register; the result of which is the BVM Presumed Strategic Risk Management Report for the period 2021-2022 Financial Year.

2. Background

The implementation of the Risk Management system is prescribed by legislation which the municipality must comply with.

Enterprise risk management (ERM) in business includes the methods and processes used by organizations to manage risks and seize opportunities related to the achievement of their objectives. The ERM in Breede Valley Municipality provides the framework for Risk Management, which typically involves identifying particular events or circumstances relevant to the municipality's objectives (risks and contributing factors), assessing them in terms of likelihood and impact, determining a response strategy (action plans), and monitoring progress.

The management response strategy for the specific risks identified and analyzed, fall within the following four categories as well as the appetite of 9 as approved by Council:

Avoid – Action is taken to exit the activities giving rise to risk. Risk avoidance may involve exiting a product line, declining expansion to a new geographical market, or selling a division.

Reduce – Action is taken to reduce the risk likelihood or impact, or both. This may involve any of a myriad of everyday business decisions.

Share – Action is taken to reduce risk likelihood or impact by transferring or otherwise sharing a portion of the risk. Common risk sharing techniques include purchasing insurance products, pooling risks, engaging in hedging transactions, or outsourcing an activity.

Accept – No action is taken to affect likelihood or impact.

The Risk assessment process was conducted in consultation with the various directorates. The Risk, Fraud and Corruption Management Committee (RiskCom) supports the strategic risk management report for the period 2021-2022.

The following tables provide the risk ratings:

LIKELIHOOD	5	LOW	MEDIUM	HIGH	EXTREME	EXTREME
	4	LOW	MEDIUM	HIGH	HIGH	EXTREME
	3	LOW	MEDIUM	MEDIUM	HIGH	HIGH
	2	LOW	LOW	MEDIUM	MEDIUM	MEDIUM
	1	LOW	LOW	LOW	LOW	LOW
Risk Matrix		1	2	3	4	5
IMPACT/ CONSEQUENCE						

Risk Appetite Level
3 X 3 = 9 Level

Potential Impact / Consequence

Rating	Continuity of Service	Safety & Environmental	Technical Complexity	Financial	Achievement of objectives
Catastrophic (5)	Risk event will result in widespread and lengthy reduction in continuity of service delivery to customers for a period greater than 48 hours	Major environmental damage. Serious injury (permanent disability) or death of personnel or members of the Public. Major negative media coverage.	Use of unproven technology for critical systems / project components. High level of Technical Interdependencies between system components.	Disaster with potential to lead to collapse of business and is fundamental to the achievement of objectives.	Negative outcomes or missed opportunities that are of critical importance to the achievement of objectives
Major (4)	Reduction in service delivery or disruption for a period ranging between 24 & 48 hours over a significant area	Significant injury of personnel or public. Significant environmental damage. Significant negative media coverage.	Use of new technology not previously utilised by the organisation for critical systems / project components.	Critical event which can be endured but which may have a prolonged negative impact and extensive consequences.	Negative outcomes or missed opportunities that are likely to have a relatively substantial impact on the ability to meet objectives
Moderate (3)	Reduction in service delivery or disruption for a period between 8 & 24 hours over a significant area	Lower level of environmental, safety or health impacts. Negative media coverage	Use of unproven or emerging technology for critical systems / project components.	Major events, which can be managed but requires additional resources and management effort.	Negative outcomes or missed opportunities that are likely to have a relatively moderate impact on the ability to meet objectives
Minor (2)	Brief local inconvenience (work around possible). Loss of an asset with minor impact on operations	Little environmental, safety or health impacts. Limited negative media coverage.	Use of unproven or emerging technology for systems / project components.	Event, which can be managed under normal operating conditions.	Negative outcomes or missed opportunities that are likely to have a relatively low impact on the ability to meet objectives
Insignificant (1)	No or minimal impact on business or core systems	No environmental, safety or health impacts and/or negative media coverage	Use of unproven or emerging technology for non-critical systems / project components	Consequences can be readily absorbed under normal operating conditions.	Negative outcomes or missed opportunities that are likely to have a relatively negligible impact on the ability to meet objectives

Likelihood/Probability of occurrence

Rating	Level	Description
5	Almost certain	The risk is already occurring, or is likely to occur more than once within the next 12 months
4	Likely	The risk will easily occur, and is likely to occur at least once during the next 12 months.
3	Moderate	There is an above average chance of the risk occurring more than once during the next 3 years
2	Unlikely	The risk has a low likelihood of occurring during the next 3 years
1	Rare/Remote	The risk is unlikely to occur during the next 3 years

Control Assessment

Control Adequacy		Control Effectiveness	
Rating	Title	Rating	Title
1	Adequate	1	Effective
2	Adequate but over controlled	2	Partially Effective
3	Partially Adequate	3	Ineffective
4	Inadequate		

Annexure: A copy of the BVM Presumed Strategic Risk Management Report for the 2021-2022 Financial Year.

Deliberation:Definition of Risk Management:

Risk management is a systematic process to identify, evaluate and address risks on a continuous basis before such risks can impact negatively on the municipality's service delivery capacity.

Risk management is a management discipline with its own techniques and principles. It is a recognised management science and has been formalized by international and national codes of practice, standards, regulations and legislation.

Risk management forms part of management's core responsibilities and is an integral part of the internal processes of the municipality.

When properly executed risk management provides reasonable, but not absolute assurance, that the municipality will be successful in achieving its goals and objectives.

Definition of Risk Identification:

Risk identification is a deliberate and systematic effort to identify and document the municipality's key risks.

The objective of risk identification is to understand what is at risk within the context of the municipality's explicit and implicit objectives and to generate a comprehensive inventory of risks based on the threats and events that might prevent, degrade, delay or enhance the achievement of the objectives.

Definition of Risk Assessment:

Risk assessment is a systematic process to quantify or qualify the level of risk associated with a specific threat or event, to enrich the risk intelligence available to the Institution.

The main purpose of risk assessment is to help the municipality to prioritise the most important risks as the municipality is not expected to have the capacity to deal with all risks in an equal manner.

Risks should be formally reviewed concurrently with changes in strategy, or at least once a year to consider new and emerging risks.

Definition of Risk Register:

Risk register is the outcome of the annual risk assessment process which is a comprehensive inventory of risks based on the threats and events that might prevent, degrade, delay or enhance the achievement of the objectives of the municipality.

i. The Executive Authority/ Council:

- The Council should take an interest in risk management to the extent necessary to obtain comfort that properly established and functioning systems of risk management are in place to protect the Institution against significant risks.
 - Responsibilities of the Executive Authority in risk management should include:
 - ensuring that the Institutional strategies are aligned to the government mandate;
 - obtaining assurance from management that the Institution's strategic choices were based on a rigorous assessment of risk;
 - obtaining assurance that key risks inherent in the Institution's strategies were identified and assessed, and are being properly managed;
 - assisting the Accounting Officer / Authority to deal with fiscal, intergovernmental, political and other risks beyond their direct control and influence; and
 - insisting on the achievement of objectives, effective performance management and value for money.
 - In case of a municipality or municipal entity, in addition to the responsibilities outlined in 21(2), the Executive Authority should also: (a) approve the risk management policy, strategy, and implementation plan; and
-

(b) approve the fraud prevention policy, strategy and implementation plan.

Council is responsible for providing oversight and direction to the Accounting Officer on the risk management related strategy and policies; which also include an interest in the effectiveness of the process of risk management within the municipality.

Risk Management Oversight (Risk Management Committee)

The committee's role is to review the risk management progress and maturity of the municipality, the effectiveness of risk management activities, the key risks facing the municipality and the responses to address these key risks.

ii. The Accounting Officer/ Municipal Manager:

Sections 62(1)(c)(i) and 95(c)(i) of the MFMA, requires the Accounting Officer to ensure that their municipalities and municipal entities have and maintain effective, efficient and transparent systems of risk management

The **Municipal Manager** is ultimately responsible for risk management within the municipality. This includes ensuring that the responsibility for risk management vests at all levels of management. The Municipal Manager sets the tone at the top by promoting accountability, integrity and other factors that will create a positive control environment.

iii. Management, Other Personnel, Risk Manager:

Section 78 of the Municipal Finance Management Act (Act 56 of 2003):

The extension of general responsibilities in terms of Section 78 of the MFMA to all senior managers and other officials of municipalities imply that responsibility for risk management vests at all levels of management and that it is not limited to only the accounting officer and internal audit.

Risk Management Implementers (Management)

All other levels of management, support the municipality's risk management philosophy, promote compliance with the risk appetite and manage risks within their areas of responsibility.

Management takes ownership for managing the municipality's risks within their areas of responsibility and is accountable to the Municipal Manager for designing, implementing, monitoring and integrating ERM into their day-to-day activities of the municipality. This should be done in a manner that ensures that risk management becomes a valuable strategic management tool.

Risk Management Implementers (Other Officials)

Other officials are responsible for integrating risk management into their day-to-day activities i.e. by ensuring conformance with controls and compliance to procedures.

Risk Management Support (Chief Risk Officer)

The Chief Risk Officer is the custodian of the Risk Management Strategy and Implementation Plan and the coordinator of Enterprise Risk Management activities throughout Breede Valley Municipality.

Risk Management Support (Risk Champions)

A Risk Champion would generally hold a senior position within the municipality and possess the skills, knowledge and leadership qualities required to champion an aspect of risk management.

The Risk Champion assists the Chief Risk Officer to facilitate the risk assessment process and manage risks within their area of responsibility to be within the risk appetite. Their primary responsibilities are advising on, formulating, overseeing and managing all aspects of a municipality's entire risk profile, ensuring that major risks are identified and reported upwards.

iv. Internal Auditors:

Section 165(2)(a), (b)(iv) of the Municipal Finance Management Act (Act 56 of 2003) requires that: *"(2) The internal audit unit of a municipality or municipal entity must - (a) prepare a risk based audit plan and an internal audit program for each financial year;*

(b) advise the accounting officer and report to the audit committee on the implementation on the internal audit plan and matters relating to:

- (iv) risk and risk management."

IIA Standard 2110 - Risk Management of the International Standards for the Professional Practice of Internal Auditing states:

"The internal audit activity should assist the organisation by identifying and evaluating significant exposures to risk and contributing to the improvements of risk management and control systems.

Risk Management Assurance Providers (Internal Audit)

The core role of Internal Audit in risk management is to provide an independent, objective assurance to council and the Audit Committee on the effectiveness of risk management.

Internal Audit also assists in bringing about a systematic, disciplined approach to evaluate and improve the effectiveness of the entire system of risk management and provide recommendations for improvement where necessary.

Risk Management Assurance Providers (External Audit)

External Audit (Auditor-General) provides an independent opinion on the effectiveness of Enterprise Risk Management.

v. Audit Committee:

Section 166 (2)(a)(ii) of the Municipal Finance Management Act (Act 56 of 2003)

states:

*"(2) An audit committee is an independent advisory body which must -
(a) advise the municipal council, the political office-bearers, the accounting officer and the management staff of the municipality, or the board of directors, the accounting officer and management staff of the municipal entity, on matters relating to - (ii) risk management."*

The **Audit Committee** is an independent committee, responsible to oversee the municipality's control, governance and risk management. This committee is vital to, among other things, ensure that financial, IT and fraud risk related to financial reporting are identified and managed.

The Audit Committee's primary responsibility is providing an independent and objective view of the effectiveness of the municipality's risk management process to council and to provide recommendations to the Municipal Manager for continuous improvement and management of risks. The responsibilities of the Audit Committee with regard to risk management are formally defined in its charter.

3. Financial Implications

None

4. Applicable Legislation / Council Policy

- The Municipal Finance Management Act (Act 56 of 2003) (MFMA);
- Municipal Structures Act (Act 117 of 1998);
- Municipal Systems Act (Act 32 of 2000); and
- Public Sector Risk Management Framework (NT) published 1 April 2010.
