- (e) the amount of any allocations received;
- (f) actual expenditure on those allocations, excluding expenditure on
 - (i) its share of the local government equitable share; and
 - (ii) allocations exempted by the annual Division of Revenue Act from compliance with this paragraph; and
- (g) when necessary, an explanation of-
- (h) any material variances from the municipality's projected revenue by source, and from the municipality's expenditure projections per vote;
 - (i) any material variances from the service delivery and budget implementation plan; and
 - (iii) any remedial or corrective steps taken or to be taken to ensure that projected revenue and expenditure remain within the municipality has approved budget.

(2) The statement must include-

- (a) a projection of the relevant municipality's revenue and expenditure for the rest of the financial year, and any revisions from initial projections; and
- (b) the prescribed information relating to the state of the budget of each municipal entity as provided to the municipality in terms of section 87(10).

(3) The amounts reflected in the statement must in each case be compared with the corresponding amounts budgeted for in the municipality's approved budget.

(4) The statement to the provincial treasury must be in the format of a signed document and in electronic format.

(5) The accounting officer of a municipality which has received an allocation referred to in subsection (1) (e) during any particular month must, by no later than 10 working days after the end of that month, submit that part of the statement reflecting the particulars referred to in subsection (1) (e) and (f) to the national or provincial organ of state or municipality which transferred the allocation.

(6) The provincial treasury must by no later than 22 working days after the end of each month submit to the National Treasury a consolidated statement in the prescribed format on the state of the municipalities' budgets, per municipality and per municipal entity.

(7) The provincial treasury must, within 30 days after the end of each quarter, make public as may be prescribed, a consolidated statement in the prescribed format on the state of municipalities' budgets per municipality and per municipal entity. The MEC for finance must submit such consolidated statement to the provincial legislature no later than 45 days after the end of each quarter.

52. The mayor of a municipality—

(d) must, within 30 days of the end of each quarter, submit a report to the council on the implementation of the budget and the financial state of affairs of the municipality.

72. Mid-year budget and performance assessment

- (1) The accounting officer of a municipality must by 25 January of each year—
 - (a) assess the performance of the municipality during the first half of the financial year, taking into account—
 - (i) the monthly statements referred to in section 71 for the first half of the financial year;
 - (ii) the municipality's service delivery performance during the first half of the financial year, and the service delivery targets and performance indicators set in the service delivery and budget implementation plan;
 - (iii) the past year's annual report, and progress on resolving problems identified in the annual report; and
 - (iv) the performance of every municipal entity under the sole or shared control of the municipality, taking into account reports in terms of section 88 from any such entities; and
 - (b) submit a report on such assessment to—
 - (i) the mayor of the municipality;
 - (ii) the National Treasury; and
 - (iii) the relevant provincial treasury.
- (2) The statement referred to in section 71(1) for the sixth month of a financial year may be incorporated into the report referred to in subsection (1)(b) of this section.
- (3) The accounting officer must, as part of the review—
 - (a) make recommendations as to whether an adjustments budget is necessary; and
 - (b) recommend revised projections for revenue and expenditure to the extent that this may be necessary.

GLOSSARY

Adjustments budget – Prescribed in section 28 of the MFMA. The formal means by which a municipality November revise its annual budget during the year.

Allocations – Money received from Provincial or National Government or other municipalities.

Budget – The financial plan of the Municipality.

Budget related policy – Policy of the municipality affecting or affected by the budget, examples include tariff policy, rates policy, credit control and debt collection policy.

Capital expenditure - Spending on assets such as land, buildings and machinery. Any capital expenditure must be reflected as a non-current asset on the Municipality's balance sheet.

Cash flow statement – A statement including only actual receipts and expenditure by the Municipality. Cash payments and receipts do not always coincide with budgeted timings. For example, when an invoice is received by the Municipality it is shown as expenditure in the month it is received, even though it may not be paid in the same period. The same principle applies with the cash receipts. The Municipality recognises the revenue on date of billing whilst payment may not appear in the same period; the receipt is recognised at date of receipt.

DORA – Division of Revenue Act. Annual legislation that shows the total allocations made by national to provincial and local government.

Equitable Share – A general grant paid to Municipalities. It is predominantly targeted to help with free basic services.

Fruitless and wasteful expenditure – Expenditure that was made in vain and would have been avoided had reasonable care been exercised.

GFS – Government Finance Statistics. An internationally recognised classification system that facilitates like for like comparison between Municipalities.

GRAP – Generally Recognised Accounting Practice. The new standard for municipal accounting.

IDP – Integrated Development Plan. The main strategic planning document of the Municipality

MBRR – Local Government: Municipal Finance Management Act (56/2003): Municipal budget and reporting regulations.

MFMA – Local Government: Municipal Finance Management Act (56/2003). The principle piece of legislation relating to municipal financial management. Sometimes referred to as the Act.

MTREF – Medium Term Revenue and Expenditure Framework. A medium term financial plan, usually 3 years, based on a fixed first year and indicative further two years budget allocations. Also includes details of the previous and current years' financial position.

Operating expenditure – Spending on the day-to-day operations of the Municipality such as salaries and wages and general expenses.

Rates – Local Government tax levied in terms of the Local Government: Municipal Property Rates Act, Act 6 of 2004. The tax is based on the assessed market value of a property. To determine the rates payable, the assessed rateable value is multiplied by the rate in the rand.

SDBIP – Service Delivery and Budget Implementation Plan. A detailed plan comprising quarterly performance targets and monthly budget estimates.

Strategic objectives – The main priorities of the Municipality as set out in the IDP. Budgeted spending must contribute towards the achievement of the strategic objectives.

Unauthorised expenditure – Generally, is spending without, or in excess of, an approved budget.

Virement – A transfer of budget.

Virement policy - The policy that sets out the rules for budget transfers. Virements are normally allowed within a vote. Transfers between votes must be agreed by Council through an Adjustments Budget.

Vote – One of the main segments into which a budget of a municipality is divided for the appropriation of money for the different departments of the municipality

SECTION 3 – EXECUTIVE SUMMARY

3.1 INTRODUCTION

The audited outcome for 2021/2022 reflected in this report are final as the Annual Financial Statements were completed and audited by the Auditor General. The in-year report for December 2022 contains the final outcomes for the 2021/2022 audit. The municipality has achieved a clean audit opinion (Unqualified with no matters of emphasis).

3.2 CONSOLIDATED PERFORMANCE

3.2.1 Against annual budget (Original approved and latest adjustments)

Revenue by Source

The figures represented in this section are the accrued amounts and not actual cash receipts; in other words the amounts billed for property rates; service charges and interest as it become due.

The total revenue excluding capital transfers and contributions for the period 1 July 2022 – 31 December 2022 is R577 096 186 or 41.50% of the total budgeted revenue R1 390 473 100.

Property Rates

Property Rates revenue shows an over performance due to the annual billing of R36 131 355 that was done in the month of July, but due in September 2022. It is expected that over the 12 months the over performance will be reduced.

Service charges - electricity revenue

In order to be GRAP compliant the municipality has to process an accrual journal that recognises revenue which was consumed in previous financial year but billed in the new financial year. In July 2022, the municipality processed a journal of R31 507 636 to recognize revenue billed in July, but services were utilized in the old financial year, which reduced the revenue in the current financial year. In July 2023 when the AFS are being finalised a journal will be processed to recognise the revenue consumed in June which will then align the revenue properly.

Service charges - water revenue

In order to be GRAP compliant the municipality has to process an accrual journal that recognises revenue which was consumed in previous financial year but billed in the new financial year. In July 2022 the municipality processed a journal of R8 147 141 to recognize revenue billed in July, but services were utilized in the old financial year, which reduced the revenue in the current financial year. In July 2023 when the AFS

are being finalised a journal will be processed to recognise the revenue consumed in June which will then align the revenue properly.

Service charges – sanitation revenue

Sanitation revenue shows an over performance due to the annual billing of R7 665 800 that was done in the month of July, but due in September 2022. It is expected that over the 12 months the over performance will be reduced.

Interest earned – external investments

Access funds (own as well as unspent grants) has been invested in line with the funds and reserves policies.

Interest earned – outstanding debtors

Growth in debtors due to non-payment has resulted in more interest being charged on outstanding debtors than anticipated.

Fines, penalties and forfeits

Final traffic fine provisions and accounting treatment are done at financial year end.

Licenses and permits

The issuing of licenses and permits are done on an ad-hoc basis based on the demand from clients.

Transfers and subsidies – Operating

The first two transfers of the equitable share has been fully recognised for the year under review.

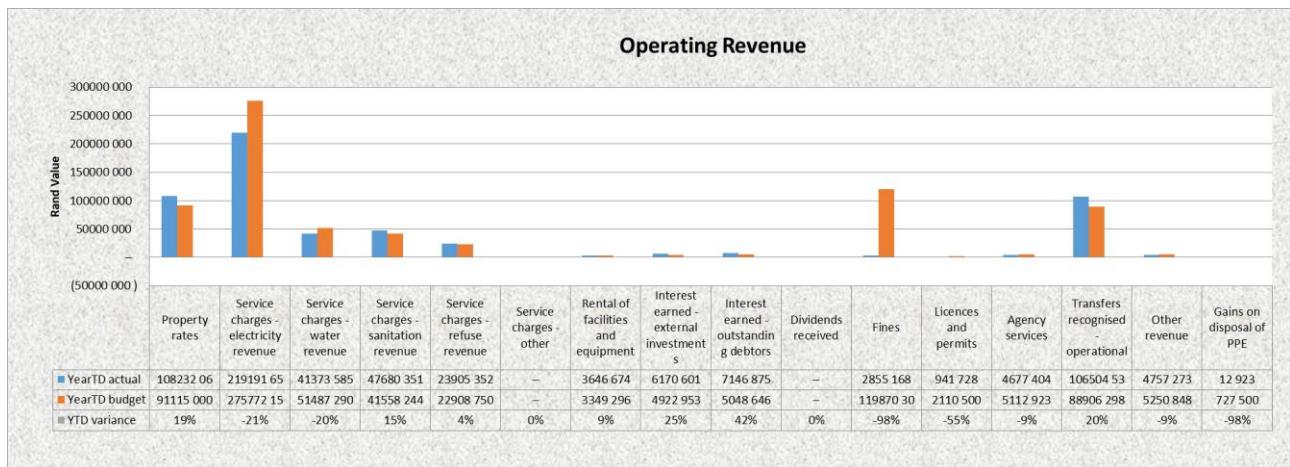

Gains

Gains from the disposal of assets are less than anticipated.

Transfers and subsidies – Capital

Capital grants are recognized when capital expenditure has been capitalized.

Refer to Section 4 – table C4 – Total revenue by source (excluding capital transfers and contributions)

Operating Expenditure by Type

The figures in this section should represent the accrued amounts; in other words when the goods have been ordered; received or the invoice has been completed (reconciled with goods received and prices quoted) it should be captured as an expense. Shadow figures are reflected on the financial system once an order is issued. This action serves as a budgetary control mechanism and no actual financial entries are passed. These figures cannot be used for reporting purposes. The amounts included as expenditure are currently only those for which a payments run has been completed.

The total expenditure amounts to R467 931 945 or 34.53% of the total budgeted expenditure R1 355 113 865.

Remuneration of councillors

Municipal Councillors are currently remunerated on the 2021/2022 upper limits Gazette.

Debt impairment

No write off done for the year under review..

Depreciation & asset impairment

Depreciation has not yet been calculated for the 2022/2023 financial year due to the audit that was only signed off on the 9th of December 2022. Depreciation runs will be performed in January for the prior periods.

Finance charges

Finance charges for December 2022 are pro-rata less than anticipated.

Bulk purchases - electricity

Electricity purchases till December 2022 are pro-rata underspend.

Contracted services

Expenditure on contracted and outsourced services for December 2022 are pro-rata less than anticipated.

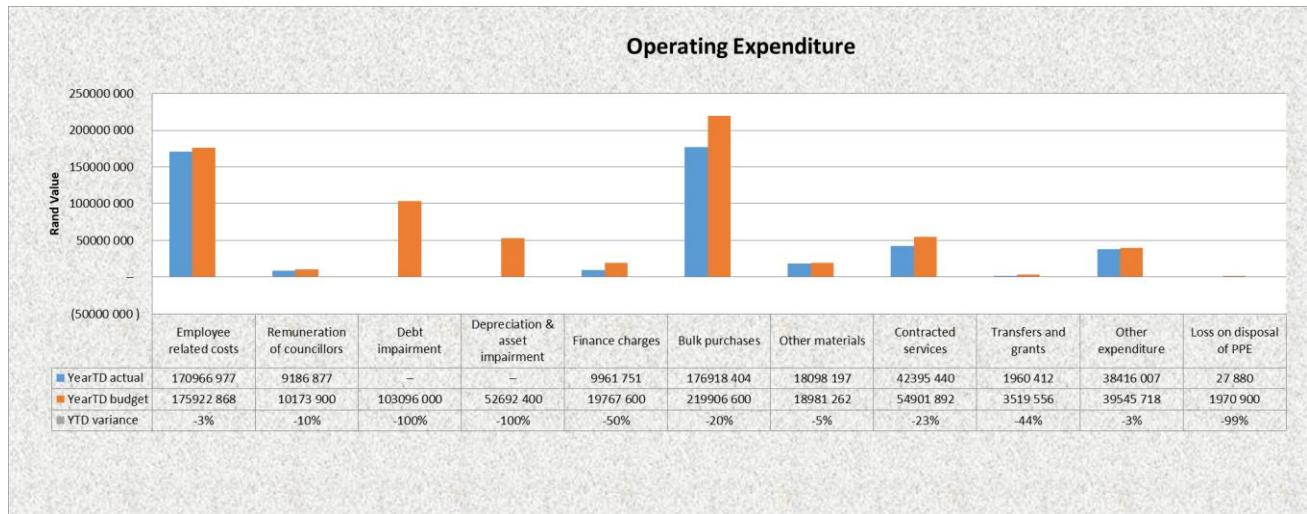

Transfers and subsidies

Monetary allocations to individuals and organisations for December 2022 are pro-rata underspend.

Losses

Losses on the disposal of assets are less than anticipated.

Refer to Section 4 – table C4 – Total expenditure by type

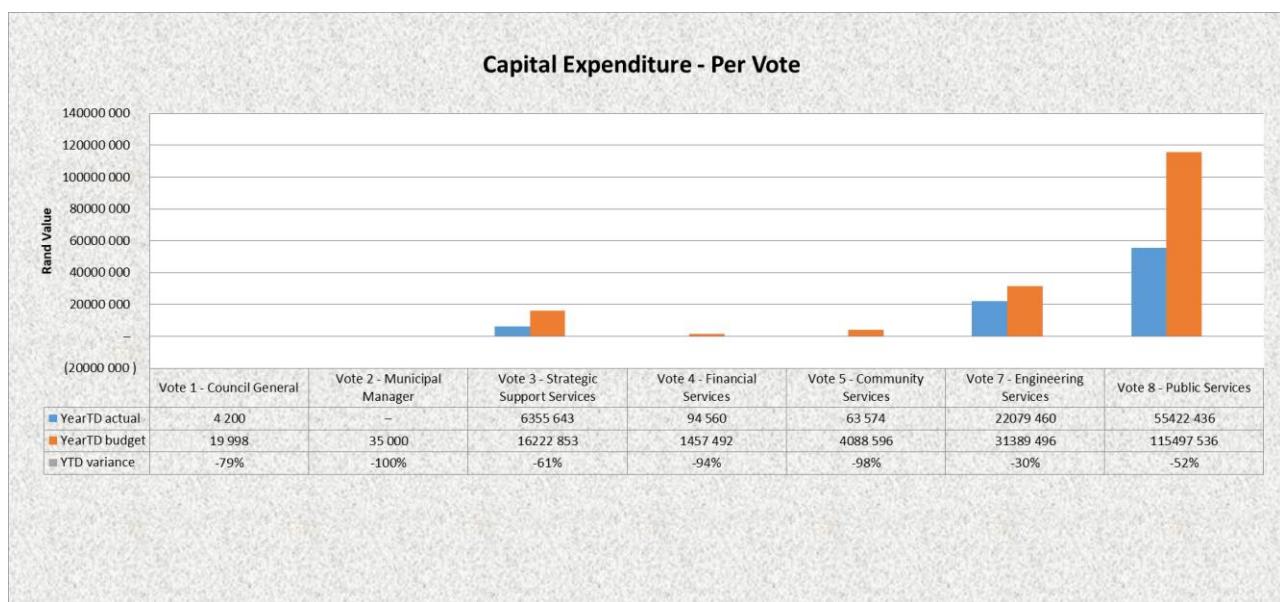

Capital Expenditure

The total capital expenditure for the period 1 July 2022 – 31 December 2022, amounts to R84 019 873 or 25.62% of the total capital budget that amounts to R327 903 364.

Capital grant funding

The total capital grant funding expenditure amounts to R17 809 802 or 25.39% of the total capital grant funding budget that amounts to R70 138 000.

Refer to Section 4 – table C5 for more detail.

Cash Flow

The detail of this section can be found in Section 4 of this report Table C7 (Financial Position). The balance at the end of the period for the cash flow statement amounts to R180 411 345.

Service Charges

The budget and actual cash received is very close - credit process been implemented stronger related to our debtors outstanding balance.

Other revenue

Normal credit control processes has however been implemented. Our Collection % is higher than anticipated.

Government – Operating

Will be a difference between the budget and actual - portions paid over can differ in different months.

Government Capital

WSIG and EEDMG grant portion also paid over more than the grant budget amount.

Interest

Interest on the investment and the current account was higher than anticipated and the investment process been done monthly.

Suppliers

Eskom payment higher - in period of high usage.

Transfer and grants

No expenditure on Housing projects and Grant-In Aid.

Capital assets

Demand Management Plan in progress/ tenders advertise etc.

Consumer deposits

The movement in debtors will have an influence on the deposits %.

Ref	Description	Variances greater than 10% [over/under]	Reasons for material deviations	Remedial or corrective steps/remarks
	R thousands			
1 Revenue By Source				
Property rates	19%	Property Rates revenue shows an over performance due to the annual billing of R36 131 355 that was done in the month of July, but due in September 2022. It is expected that over the 12 months the over performance will be reduced.		
Service charges - electricity revenue	-21%	In order to be GRAP compliant the municipality has to process an accrual journal that recognises revenue which was consumed in previous financial year but billed in the new financial year. In July 2022 the municipality processed a journal of R31 507 636 to recognize revenue billed in July, but services were utilized in the old financial year, which reduced the revenue in the current financial year. In July 2023 when the AFS are being finalised a journal will be processed to recognise the revenue consumed in June which will then align the revenue properly.		
Service charges - water revenue	-20%	In order to be GRAP compliant the municipality has to process an accrual journal that recognises revenue which was consumed in previous financial year but billed in the new financial year.
