- (3) The accounting officer must, as part of the review—
 - (a) make recommendations as to whether an adjustments budget is necessary; and
 - (b) recommend revised projections for revenue and expenditure to the extent that this may be necessary.

GLOSSARY

Adjustments budget – Prescribed in section 28 of the MFMA. The formal means by which a municipality November revise its annual budget during the year.

Allocations – Money received from Provincial or National Government or other municipalities.

Budget – The financial plan of the Municipality.

Budget related policy – Policy of the municipality affecting or affected by the budget, examples include tariff policy, rates policy, credit control and debt collection policy.

Capital expenditure - Spending on assets such as land, buildings and machinery. Any capital expenditure must be reflected as a non-current asset on the Municipality's balance sheet.

Cash flow statement – A statement including only actual receipts and expenditure by the Municipality. Cash payments and receipts do not always coincide with budgeted timings. For example, when an invoice is received by the Municipality it is shown as expenditure in the month it is received, even though it may not be paid in the same period. The same principle applies with the cash receipts. The Municipality recognises the revenue on date of billing whilst payment may not appear in the same period; the receipt is recognised at date of receipt.

DORA – Division of Revenue Act. Annual legislation that shows the total allocations made by national to provincial and local government.

Equitable Share – A general grant paid to Municipalities. It is predominantly targeted to help with free basic services.

Fruitless and wasteful expenditure – Expenditure that was made in vain and would have been avoided had reasonable care been exercised.

GFS – Government Finance Statistics. An internationally recognised classification system that facilitates like for like comparison between Municipalities.

GRAP – Generally Recognised Accounting Practice. The new standard for municipal accounting.

IDP – Integrated Development Plan. The main strategic planning document of the Municipality

MBRR – Local Government: Municipal Finance Management Act (56/2003): Municipal budget and reporting regulations.

MFMA – Local Government: Municipal Finance Management Act (56/2003). The principle piece of legislation relating to municipal financial management. Sometimes referred to as the Act.

MTREF – Medium Term Revenue and Expenditure Framework. A medium term financial plan, usually 3 years, based on a fixed first year and indicative further two years budget allocations. Also includes details of the previous and current years' financial position.

Operating expenditure – Spending on the day-to-day operations of the Municipality such as salaries and wages and general expenses.

Rates – Local Government tax levied in terms of the Local Government: Municipal Property Rates Act, Act 6 of 2004. The tax is based on the assessed market value of a property. To determine the rates payable, the assessed rateable value is multiplied by the rate in the rand.

SDBIP – Service Delivery and Budget Implementation Plan. A detailed plan comprising quarterly performance targets and monthly budget estimates.

Strategic objectives – The main priorities of the Municipality as set out in the IDP. Budgeted spending must contribute towards the achievement of the strategic objectives.

Unauthorised expenditure – Generally, is spending without, or in excess of, an approved budget.

Virement – A transfer of budget.

Virement policy - The policy that sets out the rules for budget transfers. Virements are normally allowed within a vote. Transfers between votes must be agreed by Council through an Adjustments Budget.

Vote – One of the main segments into which a budget of a municipality is divided for the appropriation of money for the different departments of the municipality

SECTION 3 – EXECUTIVE SUMMARY

3.1 INTRODUCTION

The audited outcome for 2020/2021 reflected in this report are final as the Annual Financial Statements were completed and audited by the Auditor General. The in-year report for November 2021 contains the final outcomes for the 2020/2021 audit. The municipality has achieved a clean audit opinion (Unqualified with no matters of emphasis).

3.2 CONSOLIDATED PERFORMANCE

3.2.1 Against annual budget (Original approved and latest adjustments)

Revenue by Source

The figures represented in this section are the accrued amounts and not actual cash receipts; in other words the amounts billed for property rates; service charges and interest as it become due.

The total revenue excluding capital transfers and contributions for the period 1 July 2021 – 31 December 2021 is R 561 187 253 or 43.10% of the total budgeted revenue R1 302 188 200.

Property Rates

Property rates shows an over performance due to the annual billing that was done in the month of July, but due in September 2021. It is expected that over the 12 months the over performance will be reduced.

Service charges – electricity revenue

In order to be GRAP compliant the municipality has to process an accrual journal that recognises revenue which was consumed in previous financial year but billed in the new financial year. In July 2021 the municipality processed a journal of R28 255 206 to recognize revenue billed in July, but services were utilized in the old financial year, which reduced the revenue in the current financial year. In July 2022 when the AFS a journal will be processed to recognise the revenue consumed in June which will then align the revenue properly. In addition, slight underperformance in the commercial and domestic categories contributed to the overall underperformance. This is monitored and will be considered for amendment in accordance with anticipated trends in the Mid-year adjustments budget.

Service charges – water revenue

There is an over-performance. Includes services that will be affected by revenue accrual journal. The journal of R8 373 526 to recognize revenue billed in July, but services were utilized in the old year was processed in August. In addition the consumption was higher than anticipated but is expected to level out during the winter months.

Service charges – sanitation revenue

Sanitation revenue shows an over performance due to the annual billing that was done in the month of July, but due in September 2021. It is expected that over the 12 months the over performance will be reduced.

Interest earned – external investments

Monthly assessment on available /access funds are done, access funds (own as well as unspent grants) ,are invested in line with the funds and reserves policies.

Interest earned – outstanding debtors

Growth in debtors due to non-payment has resulted in more interest being charged on outstanding debtors than anticipated.

Fines, penalties and forfeits

Final traffic fine provisions and accounting treatment are done at financial year end.

Licenses and permits

The issuing of licenses and permits are done on an ad-hoc basis based on the demand from clients.

Agency services

The variance is mainly due to the fact that the amounts were only updated for 2 weeks in December and that 2 of the weeks will only be processed in January.

Transfers and subsidies – operating

Transfers of grants and subsidies are done throughout the financial year. All operational conditional grant revenue has been recognized where the conditions are met. The first two transfers of the equitable share has been fully recognized due to the fact that it is an unconditional grant.

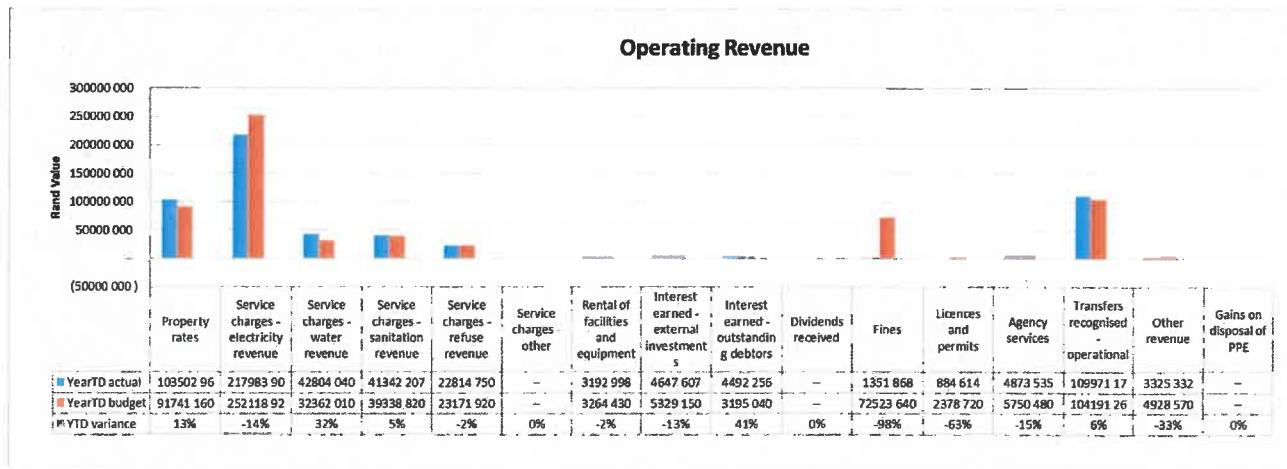

Transfers and subsidies – capital

Capital grants are recognised when capital expenditure has been capitalised.

Other Revenue

Other revenue shows a slight under performance, although most of the operations are no longer suspended the revenue has been affected by the lockdown.

Refer to Section 4 – table C4 – Total revenue by source (excluding capital transfers and contributions)

Operating Expenditure by Type

The figures in this section should represent the accrued amounts; in other words when the goods have been ordered; received or the invoice has been completed (reconciled with goods received and prices quoted) it should be captured as an expense. Shadow figures are reflected on the financial system once an order is issued. This action serves as a budgetary control mechanism and no actual financial entries are passed. These figures cannot be used for reporting purposes. The amounts included as expenditure are currently only those for which a payments run has been completed.

The total expenditure amounts to R 441 051 944 or 34.33% of the total budgeted expenditure R1 284 907 920.

Employee related costs

Positions are budgeted for 12 months of the financial year. Vacant positions, employees resigning and retiring, results in savings which are reprioritised with the Mid-year Adjustment Budget. Only critical vacant positions are currently advertised and filled as a result of the TASK Implementation and Job Evaluation processes that are currently in progress.

Remuneration of councillors

Municipal Councillors are currently still remunerated on the 2019/2020 Gazette.

Debt impairment

Debt impairment for 2021/2022 has not yet been calculated.

Finance charges

Provision for interest till December 2021 are pro-rata less than anticipated.

Bulk purchases - electricity

Electricity purchases till December 2021 are pro-rata less than anticipated.

Inventory consumed

Expenditure on materials and supplies till December 2021 are pro-rata less than anticipated..

Contracted services
