Good day BVM clients. Due to Covid_ 19 water and electricity meters will not be physically read, to ensure the safety of clients and BVM staff. These meters will be billed on an average based on previous usage until further notice. This excludes those meters that are electronically read or read by our electricity department personnel - these will be read as normal. We request that clients who are already emailing their readings to continue doing so. Clients currently not emailing their readings, can do so to: readings@bvm.gov.za . Below are the dates and suburbs to send the readings. Thank you and stay safe.
