**RE: NATION-WIDE LOCKDOWN BASED ON THE STATE OF THE NATION ADDRESS**

Based on the state of the nation address by President Cyril Ramaphosa on Monday, 23 March 2020, the municipality has no option but to suspend all tender related processes such as compulsory clarification meetings and tender closing dates, until further notice, due to the nation-wide lockdown. In addition, alternative compulsory clarification meeting and tender closing dates will be communicated for all tenders that are affected by the nation-wide lockdown.

Furthermore, extensions of validity period(s) shall be imposed, based on mutual agreement and acceptance by the relevant parties, for all tenders that has already closed, whereby the validity period(s) expires during the lockdown period. Thus, the extension of the validity period will be the equivalent to the proclaimed lockdown period from the initial expiry date of such validity.

Should the Republic of South Africa not revert to normal circumstances after the nation-wide lockdown, further communication regarding the before mentioned will be issued accordingly.
