

NOTICE OF ROAD MAINTENANCE ALONG R101 DU TOITSKLOOF PASS

R101 Du Toitskloof pass between km 0.2 and km 21.25 will be undergoing periodic maintenance. Accommodation of traffic is to be carried out by closing off one lane of traffic at a time and accommodating unidirectional traffic on the other lane when work is being carried out.

The Western Cape Government is working hard to maintain our roads. Please drive carefully during this period of construction. Let us work together to ensure that our roads are safe. **BETTER TOGETHER.**

Infrastructure

The objective of this project is to carry out periodic maintenance along R101 Du Toitskloof Pass between Paarl and Rawsonville. The project was awarded to iMvula Roads (Pty) Ltd in 2021 and is scheduled to be completed in August 2024.

Stop & Go and Traffic Accommodating measures will be implemented during this period. It is a provision of the Contract that traffic shall be accommodated with the least delay and discomfort to the public

Road users are encouraged to use alternative routes during this period. The safety and convenience of the travelling public are of utmost importance and every effort will be made to ensure that courtesy is extended to the public at all times.

Any queries related to this closure may be directed to the Construction Manager at +27 71 801 0766.
