SERVICE INTERRUPTIONS

Please be advised that the electricity supply to residents of **various areas** will be interrupted during **April 2025** for **various lengths of time**, for maintenance work on the electricity distribution network.

PS: Generators may not be connected by consumers to the electricity network unless the Regulations for the use of generators are met (SANS Regulation 8528/12). If a consumer is using a generator, he/she must notify the contact person:

Mr. H Schreuder: hschreuder@bvm.gov.za (HV)

The electricity supply may not be interrupted for the entire duration of the scheduled maintenance. Therefore, for safety reasons, always treat the system as LIVE during this period.
